

RESCHEDULE BCWG MEETING

Hello RTO West Benefit Cost Work Group (BCWG) -

We have reschedule the BCWG meeting to Wednesday, March 20, 2002, from 1:00 p.m. to 4:30 p.m. PST (instead of March 15). As you know the TCA Final Report was taken off the RTO West website Friday morning because TCA found algorithm errors in the GE MAPS model they were using for energy impact analysis. When study results have been reposted, we need to allow time for you to review the corrected results. Also, we learned that several key participants were unable to attend at the time we previously scheduled.

The rescheduled meeting will be March 20, 2002, from 1:00 p.m. to 4:30 p.m. in the RTO West conference room, 5933 Win Sivers Dr., Suite 201, Portland (near the Portland Airport, just off of Airport Way). A call-in line will be available 503-813-5808 // passcode 851010.

We expect to repost TCA's corrected Benefit Cost Study Final Report in the next day or so and will let you know when the report has been posted. The purpose of the meeting will be to ask and answer questions about the report and discuss any further activities.
