(ii) *Approval or Rejection of Membership Applications.* The Secretary of the Corporation shall accept a completed membership application that satisfies the requirements of Sections 5.3 and 5.5.1(i).

(b) If the Secretary of the Corporation has any reason to believe that an applicant has not satisfied the requirements of Section 5.3, the Secretary of the Corporation shall, within thirty (30) days after receipt of such applicant’s completed membership application, so notify the applicant by first-class mail. In the event that the applicant disputes the rejection, the dispute shall be submitted to and finally resolved by the Membership Dispute Resolution Committee.

(c) If the Secretary of the Corporation has any reason to believe that an applicant is not qualified to participate in the Member Class specified in the written notice from such applicant, but is qualified to participate in another Member Class, the Secretary of the Corporation shall, within thirty (30) days after receipt of such applicant’s completed membership application, so notify the applicant by first-class mail. In the event that the applicant does not object within fifteen (15) days to the redesignation of membership proposed by the Secretary of the Corporation, the membership application shall be redesignated for and accepted in such other Member Class. In the event that the applicant does object to such redesignation within such fifteen (15) day period, the dispute shall be submitted to and finally resolved by the Membership Dispute Resolution Committee.

(d) If the Secretary of the Corporation has reason to believe that any particular entity is not qualified to participate in any Member Class, the Secretary of the Corporation shall, within thirty (30) days after receipt of such entity’s completed membership application, forward such application to the Board of Trustees, which shall approve or reject such application. If the Board of Trustees rejects the membership application of any such entity, it shall send written notice to such entity by first-class mail, specifying the reasons for such rejection. If the entity objects to such rejection, the dispute shall be submitted to and finally resolved by the Membership Dispute Resolution Committee.

(iii) *Notice and Protest of Membership Decision.* After posting of notice of acceptance of a Member and initial assignment to a Member Class or Member Sub-Class to each existing Member by posting on the Grid West Website, each existing Member may, at any time thereafter, protest the admission of such entity to membership in the Corporation or in its designated Member Class. The Secretary of the Corporation shall send notice of any such protest to the entity by first-class mail. Each entity whose admission in the Corporation or in such Member Class has been challenged shall have the opportunity to respond to the protest by written submittal to the Board of Trustees to be filed on or prior to the twentieth (20th) day following such notice from the Secretary of the Corporation. 5.6 Challenges to Membership or Member Class Qualifications. Pending resolution by the Membership Dispute Resolution Committee of any challenge to a Member’s membership in the Corporation or in its designated Member Class or Member Sub-Class, such Member shall be and remain a Member in its designated Member Class or Member Sub-Class and shall possess and be entitled to exercise each and all of the rights and privileges of membership in the Corporation in such Member Class or Member Sub-Class. The final determination of such challenge shall not void the election of any members of the MRC, any decision of the MRC, any decision of the Board of Trustees, or any decision of the Members made before such final determination involving the challenged Member acting in its designated Member Class or Member Sub-Class. In the event that the challenged Member is determined in such dispute resolution proceeding not to satisfy the qualifications for membership in the Corporation, the membership of such Member and all of such Member’s voting rights and other rights of membership shall be terminated effective immediately upon such determination. In the event that the challenged Member is determined in such dispute resolution proceeding not to satisfy the qualifications for membership in the Member Class of which it is then a Member, but instead to satisfy the qualifications for membership in another Member Class or Member Sub-Class, such Member shall be reclassified into such other Member Class or Member Sub-Class effective immediately upon such determination.

5.7 Termination of or Withdrawal from Membership.

5.7.1 If any Member fails to timely pay the annual membership fee due from such Member for any year pursuant to the provisions of Section 5.3.1, the Secretary of the Corporation shall notify such Member by first-class mail, addressed to the Member at the address provided to the Secretary of the Corporation in accordance with the requirements of these Operational Bylaws, that the Corporation has not received such membership fee and that such Member’s membership in the Corporation shall be terminated in the event such fee is not paid by such Member in full within forty-five (45) days after the date of deposit of such notice in the U.S. mail. In the event that payment of the full amount of the membership fee is not received within such period, the membership of such Member in the Corporation shall be terminated immediately and without any further action upon the expiration of such forty-five (45) day period, and the terminated Member shall cease to have any rights whatsoever as a Member of the Corporation. Notwithstanding any such termination of membership, all dispute resolution proceedings and appeals that are in effect or pending as of such termination shall remain in effect and shall be followed to completion by the terminated Member and by other affected Members pursuant to these Operational Bylaws. Any Member that has been terminated from membership in the Corporation may not reapply for membership for a period of one (1) year from the date of such termination.

5.7.2 Any Member may withdraw from the Corporation upon providing written notice of its withdrawal to the Secretary of the Corporation. The withdrawal shall be effective upon its receipt by the Secretary of the Corporation. Notwithstanding such notice of withdrawal, all dispute resolution proceedings and appeals that are in effect or pending as of the date of the

receipt by the Board of written notice of such withdrawal shall remain in effect and be followed to completion by the withdrawing Member and by other affected Members pursuant to these Operational Bylaws. Any Member that has voluntarily withdrawn from the Corporation may not reapply for membership for a period of six (6) months from the date of its withdrawal. A Member’s withdrawal from membership does not affect any obligations of the withdrawing Member to the Corporation under the Corporation’s tariff or Transmission Agreements.

5.8 Establishment of Record Date. In order that the Corporation may determine the Members entitled to vote in any election of members of the MRC or on any other matter on which the Members are entitled to vote, the Board of Trustees shall set the record date, which shall be the date of notice to the Members of any meeting at which any matter is to be presented to the Members for a vote. Members specified on the list maintained by the Secretary of the Corporation on the record date are entitled to notice of such meeting and to vote at any such meeting if they continue to be Members as of the date of the meeting and their designated representative or alternate is present. If the Board of Trustees calls a meeting of one (1) or more Member Classes or Sub-Classes (but fewer than all Member Classes), the Board of Trustees shall specify the record date applicable to the meeting according to the procedures and timing the Board of Trustees determines to be fair and reasonable in the applicable circumstances.

5.9 Meetings of Members.

5.9.1 There shall be bi-annual meetings of the Members of the Corporation at approximately six (6) month intervals at such date, time, and place within the Geographic Area, as the Board of Trustees shall determine. At one such bi-annual meeting, the members of the Board of Trustees and officers of the Corporation shall (i) deliver to the Members (to the extent not delivered previously) the annual financial statements of the Corporation prepared in accordance with the requirements of Section 10.2 and copies of the Corporation’s budgets for at least the current and next fiscal years, (ii) discuss other significant matters affecting the Corporation, (iii) describe the Corporation’s progress on carrying out the purposes in Article III, and (iv) respond to any questions of the Members with respect thereto. At that same bi-annual meeting, the Members shall elect the MRC as set forth in Section 6.3.

5.9.2 The first bi-annual meeting of Members shall be conducted within six (6) months following the last annual meeting of the Members conducted under the Developmental Bylaws.

5.9.3 In addition to the meetings of the Members required under Section 5.9.1, (i) special meetings of the Members for any purpose or purposes may be called at any time by (a) the President of the Corporation, (b) the Board of Trustees, (c) not less than one-third (1/3) of the Members entitled to vote at such meeting, or (d) not less than a majority of the Members in any two (2) Member Classes; and (ii) special meetings of the Members in any Member Class or Member Sub-Class for any purpose or purposes may be called at any time by (a) the President of the Corporation, (b) the Board of Trustees, or (c) not less than one-third (1/3) of the Members

entitled to vote at such meeting. Any such special meetings shall be held at such date, time, and place within the Geographic Area as may be determined by the person or persons calling such meeting.

5.10 Notice of Meetings of Members.

5.10.1 Notice of regularly scheduled and special meetings shall be given to each Member entitled to vote at such meeting not less than ten (10) days and not more than fifty (50) days prior to the meeting; or not less than thirty (30) days and not more than fifty (50) days prior to the meeting in the case of any meeting (i) to vote on the election of one (1) or more members of the MRC, (ii) to vote on any proposed amendment to the Operational Bylaws, or (iii) to vote on dissolution of the Corporation. Notice shall be made either personally or by first-class mail, with a copy by electronic mail to any such Member that has provided notice to the Secretary of the Corporation of such Member’s electronic mail address. If mailed, such notice shall be deemed given when deposited in the U.S. or Canadian mail, with first-class postage thereon prepaid, addressed to the Member at the address provided to the Secretary of the Corporation in accordance with the requirements of these Operational Bylaws. Each such notice shall state the date, time, and place of the meeting and the meeting agenda, including the purpose or purposes for which the meeting is called.

5.10.2 At the bi-annual meetings of the Members of the Corporation, the failure of any item to be included in the notice or on the agenda shall not prevent action from being taken at the meetings; provided, however, in the event that any changes are made to any such agenda before the meeting, the Secretary of the Corporation shall make reasonable efforts to provide the Members of the Corporation of any such changes as soon as practicable in advance of the meeting. At any other meeting of the Members the failure of any item to be included in the notice or on the agenda shall prevent action on that item from being taken at the meeting.

5.10.3 Public notice of each meeting of the Members, and each meeting of any two (2) or more Member Classes, shall be placed on the Grid West Website and posted at the offices of the Corporation at least ten (10) days before such meeting. Public notice of any adjournment and reconvening of any such meeting shall be placed on the Grid West Website and posted at the offices of the Corporation as soon as practicable after any such adjournment. Each such notice shall include an agenda for the meeting. In the event that any changes are made to any such agenda before the meeting to which the agenda relates, the Secretary of the Corporation shall make reasonable efforts to provide public notice of any such changes as soon as practicable in advance of the meeting. In addition, notice of each meeting of the Members, and each meeting of any two (2) or more Member Classes, shall be sent by the Secretary of the Corporation, by first-class mail, telegram (charges prepaid), facsimile, or electronic mail, to each member of the public who so requests and who has provided such Secretary of the Corporation with complete information regarding such person’s name and address; provided, however, that the failure of any such member of the public to receive notice of any meeting of the Members

shall not under any circumstances affect the validity of such meeting or any action taken at such meeting.

5.11 Open Meetings. Except as hereinafter set forth, any member of the public may attend and observe the proceedings of any meeting of the Members, and any meeting of any two or more Member Classes, noticed pursuant to Section 5.10.2. Notwithstanding the foregoing, Members may, with notice to the Secretary of the Corporation in each instance, hold any such meeting in closed session for the same purposes and to the same extent as the Board of Trustees is entitled to hold closed sessions pursuant to Section 7.6.

5.12 Waivers of Notice. The notice requirements contained in these Operational Bylaws may be waived in writing by any Member with respect to itself, either before or after the meeting. The attendance by any Member at a meeting without protesting, as soon as reasonably practicable, the lack of notice of such meeting shall constitute a waiver of notice by it. All waivers shall be made part of the minutes of the meetings.

5.13 Quorum Rules. There is no quorum requirement for regularly scheduled or special Member meetings; provided, however, the Secretary of the Corporation shall count only the votes cast in Member Classes or Member Sub-Classes that meet their respective quorum rules for voting.

5.13.1 Quorum Rules for Binding Member Votes (Except to Fill Members Representative Committee Vacancies and to Remove Members Representative Committee Members).

(ii) If a Member Class does not include any Member Sub-Classes, then the quorum requirement for that Member Class at any Member meeting shall be one-third (1/3) of the Members belonging to that Member Class and entitled to vote. *Ex officio* members do not count when determining whether a quorum exists.

(iii) If a Member Class has Member Sub-Classes, then quorum requirements shall apply to each Member Sub-Class separately, and the quorum requirement for a Member Sub-Class at any Member meeting shall be one-third (1/3) of the Members belonging to that Member Sub-Class. *Ex officio* members do not count when determining whether a quorum exists.

(iv) The validity of a quorum for any Member Class that satisfies the requirement set forth in Section 5.13.1(ii) shall not be affected by the failure of any other

The validity of a quorum for any Member Sub-Class that satisfies the requirement set forth in Section 5.13.1(iii) shall not be affected by the failure of any other Member Sub-Class within its Member Class (or the failure of any other Member Class) to satisfy the applicable quorum requirement.

(v) The manner of tabulating Member votes at any meeting at which the Members have satisfied the foregoing requirements shall be as specified in Section 5.14.

5.13.2 Quorum Rules for Meetings of Member Classes or Member Sub-Classes to Remove Members of the Members Representative Committee and to Fill Vacancies.

(i) If a Member Class or Member Sub-Class wishes to remove a member of the MRC or if a vacancy occurs with respect to any Members Representative Committee positions for which a particular Member Class or Member Sub-Class is entitled to vote (other than due to the ordinary expiration of MRC members’ terms), the applicable Member Class or Member Sub-Class may request that the Board of Trustees convene a special meeting of the affected Member Class or Member Sub-Class (without the need for other Member Classes or Member Sub-Classes to meet at the same time) to remove the member or fill the vacancy in accordance with Section 6.6.

(ii) If a Member Class does not include any Member Sub-Classes, then the quorum requirement for that Member Class at any Member meeting shall be one-third (1/3) of the Members belonging to that Member Class and entitled to vote. *Ex officio* members do not count when determining whether a quorum exists.

(iii) If a Member Class has Member Sub-Classes, then quorum requirements shall apply to each Member Sub-Class separately, and the quorum requirement for a Member Sub-Class at any Member meeting shall be one-third (1/3) of the Members belonging to that Member Sub-Class. *Ex officio* members do not count when determining whether a quorum exists.

(iv) The validity of a quorum for any Member Class that satisfies the requirement set forth in Section 5.13.2(ii) shall not be affected by the failure of any other Member Class to satisfy the applicable Member Class quorum requirement. The validity of a quorum for any Member Sub-Class that satisfies the requirement set forth in Section 5.13.2(iii) shall not be affected by the failure of any other Member Sub-Class within its Member Class (or the failure of any other Member Class) to satisfy the applicable quorum requirement.

- (iv) End-Use Consumers: The voting power of the End-Use Consumers Member Class shall be allocated as follows:
 - (a) Two (2) of the six (6) votes’ worth of voting power held by the End-Use Consumers Member Class shall be held by the Members of the Large Unbundled End-Use Consumers Member Sub-Class.
 - (b) One (1) of the six (6) votes’ worth of voting power held by the End-Use Consumers Member Class shall be held by the Members of the Large Bundled End-Use Consumers Member Sub-Class.
 - (c) Three (3) of the six (6) votes’ worth of voting power held by the End-Use Consumers Member Class shall be held by the Members of the Consumer Advocates Member Sub-Class.
- (v) State and Provincial Energy Authorities/Tribes/Certain Public Interest Groups: The voting power of the State and Provincial Energy Authorities/Tribes/Certain Public Interest Groups Member Class shall be allocated as follows:
 - (a) Four (4) of the six (6) votes’ worth of voting power held by the State and Provincial Energy Authorities/Tribes/Certain Public Interest Groups

Member Class shall be held by the Members of the State and Provincial Energy Authorities Member Sub-Class.

(b) One (1) of the six (6) votes’ worth of voting power held by the State and Provincial Energy Authorities/Tribes/Certain Public Interest Groups Member Class shall be held by the Members of the Tribes Member Sub-Class.

(c) One (1) of the six (6) votes’ worth of voting power held by the State and Provincial Energy Authorities/Tribes/Certain Public Interest Groups Member Class shall be held by the Members of the Certain Public Interest Groups Member Sub-Class.

5.14.4 Allocation of Voting Power When Member Class Has Zero Members or When Member Sub-Class Thresholds Are Not Met.

(i) If the Member Class has zero (0) Members, then (a) that Member Class’ voting power shall be allocated equally to other Member Classes that have at least one (1) Member, and (b) within each such Member Class the reallocated voting power shall be allocated to each Member Sub-Class in the same ratio as the Member Class’ voting power is allocated between the Member Sub-Classes; provided, however, that such reallocated voting power shall be subject to further reallocation pursuant to Sections 5.14.4(ii) through (vi).

(ii) If a Member Sub-Class has fewer Members than the threshold number of Members set for a Member Sub-Class in Section 5.14.2, the voting power for the Member Sub-Class set forth in Section 5.14.3 will be reduced in an amount determined according to Section 5.14.4(iii), and the amount of the reduction in voting power will be reallocated according to Section 5.14.4(iv).

(iii) The formula for calculating the voting power reduction of a Member Sub-Class is as follows:

$$V * (1 - (M/T)) = A$$

The numerator “M” is the number of Members in the Member Sub-Class.

The denominator “T” is the threshold for the Member Sub-Class.

The variable “V” is the voting power for the Member Sub-Class set forth in Section 5.14.3.

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

The result “A” is the amount by which the Member Sub-Class’ voting power is reduced. (Refer to Section 5.14.4(v) Step 2(c) for the formula to calculate the Member Sub-Class’ revised voting power.)

(iv) Reallocate the reduced voting power calculated in Section 5.14.4(iii) as follows:

(a) If the Member Class has two (2) Member Sub-Classes and neither of the Member Sub-Classes meet its threshold, then each Member Sub-Class will exercise its full voting power; provided, however, that if one (1) Member Sub-Class has zero (0) Members, the Member Sub-Class that has Members will exercise the entire voting power of the Member Class.

(b) If the Member Class has two (2) Member Sub-Classes and one (1) of the Member Sub-Classes meets its threshold, the Member Sub-Class meeting its threshold will be allocated additional voting power from the Member Sub-Class that did not meet its threshold. The voting power of the Member Sub-Class meeting its threshold is calculated as follows:

$$V + A = V_{\text{revised}}$$

“V” is the “threshold voting power” for the Member Sub-Class that met its threshold.

“A” is the amount of voting power of the Member Sub-Class that did not meet its threshold to be reallocated to the other Member Sub-Class in the Member Class (that was calculated in Section 5.14.4(iii)).

“V_{revised}” is the revised voting power (with the amount reallocated from the Member Sub-Class that failed to meet its threshold added to the original voting power).

(c) If the Member Class has three (3) Member Sub-Classes and none of the Member Sub-Classes meet their threshold, then (unless (d) or (e) applies) each Member Sub-Class will exercise its full voting power.

(d) If the Member Class has three (3) Member Sub-Classes and two (2) of the Member Sub-Classes have zero (0) Members, the Member Sub-Class that has Members will exercise the entire voting power of the Member Class.

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

(e) If the Member Class has three (3) Member Sub-Classes and one (1) of the Member Sub-Classes has zero (0) Members, then apply (1), (2) or (3) as follows.

(1) If both of the other Member Sub-Classes meet their threshold, then the voting power of the Member Sub-Class that had zero (0) Members will be allocated to the Member Sub-Classes with Members as set forth in Section 5.14.4(v).

(2) If one of the other Member Sub-Classes meet its threshold, but the other did not, the Member Sub-Class that met its threshold will exercise the voting power of the Member Class with zero (0) Members and will be allocated “A” (i.e., the reduced voting power of the Member Sub-Class that failed to meet its threshold as calculated in Section 5.14.4(iii)).

(3) If both of the other Member Sub-Classes had Members, but both fail to meet their thresholds, those Member Sub-Classes will exercise the full voting power of their respective Member Sub-Class and will be allocated the voting power of the Member Sub-Class that had zero (0) Members as set forth in Section 5.14.4(v).

(f) If the Member Class has three (3) Member Sub-Classes and two (2) of the Member Sub-Classes fail to meet their threshold, then “A”, the reduced voting power for each of the two (2) Member Sub-Classes, is added to the voting power of the one (1) Member Sub-Class that achieved its threshold.

(g) If the Member Class has three (3) Member Sub-Classes and one (1) of the Member Sub-Classes fails to meet its threshold, then reallocate the voting power of the Member Sub-Class that failed to meet its threshold between the two Member Sub-Classes that achieved their threshold as set forth in Section 5.14.4(v).

(v) If a Member Class has three (3) Member Sub-Classes, reallocating the reduced voting power of one (1) of the Member Sub-Classes to the other two (2) Member Sub-Classes occurs as follows:

Step 1: Calculate the ratio of the voting power of the Member Sub-Classes that did not have their voting power reduced as follows:

The formulas for calculating the ratios of Member Sub-Class voting powers are as follows:

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

First Formula:

$$V_{\text{least}} / (V_{\text{least}} + V_{\text{most}}) = V_{\text{ratio}}$$

“**V_{least}**” is the voting power of the Member Sub-Class with the **least** voting power.

“**V_{most}**” is the voting power of the Member Sub-Class with the **most** voting power.

“**V_{ratio}**” is the ratio of the Member Sub-Class with the **least** voting power (of the two (2) Member Sub-Classes that did not have their voting power reduced) to the combined voting power of the two (2) Member Sub-Classes that did not have their voting power reduced.

Second Formula:

“**1 - V_{ratio}**” is the formula for calculating the ratio of voting power for the Member Sub-Class with the **most** voting power to the combined voting power of the two (2) Member Sub-Classes that did not have their voting power reduced.

Step 2: Reallocate the voting power based upon the ratio of the voting power between the Member Sub-Classes as follows:

(a) The formula for calculating the reallocated voting power for the Member Sub-Class with the **higher** initial voting power is:

$$(A * (1 - V_{\text{ratio}})) + V = V_{\text{revised}}$$

“**A**” is the amount the Member Sub-Class’ voting power is reduced from Section 5.14.4(iii).

“**1 - V_{ratio}**” is the voting power ratio for the Member Sub-Class with the **most** voting power that was calculated above in Step 1.

“**V**” is the threshold voting power for the Member Sub-Class that met its threshold.

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

“**V_{revised}**” is the revised voting power (with the amount reallocated added to the original voting power).

(b) The formula for calculating the reallocated voting power for the Member Sub-Class with the lower initial voting power is:

$$(A * V_{\text{ratio}}) + V = V_{\text{revised}}$$

“**A**” is the amount the Member Sub-Class’ voting power is reduced from Section 5.14.4(iii).

“**V_{ratio}**” is the ratio of the Member Sub-Class with the least voting power that was calculated above in Step 1.

“**V**” is the threshold voting power for the Member Sub-Class that met its threshold.

“**V_{revised}**” is the revised voting power (with the amount reallocated added to the original voting power).

(c) The formula for calculating the reduced voting power for the Member Sub-Class that failed to meet its threshold is:

$$V - A = V_{\text{reduced}}$$

“**V**” is the voting power for the Member Sub-Class from Section 5.14.4(iii).

“**A**” is the amount the Member Sub-Class’ voting power is reduced from Section 5.14.4(iii).

“**V_{reduced}**” is the revised voting power (with the amount reallocated, subtracted from the original voting power).

(vi) Exhibit A illustrates the application of Section 5.14.4.

5.14.5 Tabulation of Member Votes to Approve Bylaws Amendments. The tabulation of Member votes with respect to proposed amendments of these Operational Bylaws shall be as specified in Section 12.5.

5.14.6 Tabulation of Member Votes to Elect Members Representative Committee Members. The tabulation of Member votes with respect to electing MRC members shall be as specified in Section 6.3.

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

5.14.7 Tabulation of Other Member Votes. Any Member vote (other than votes pursuant to Sections 5.14.5 through 5.14.6 and 5.15) shall pass if a simple majority of the voting power of the Members’ votes cast favor the proposal or resolution on which they are voting. The vote by each Member Sub-Class (or Member Class without Member Sub-Classes) shall be tabulated separately and then added together to determine whether the voting power in favor is greater than fifty (50) percent of the voting power cast. An example of how Member Class and Member Sub-Class voting power is to be calculated is set forth in Exhibit A.

5.15 Advisory Member Votes. The voting rules applicable to Member advisory votes held by the Board of Trustees shall be as specified by the Board of Trustees with respect to the matter being submitted to an advisory vote. If the Board does not specify special voting rules, the voting rule and tabulation of advisory member votes shall be as described in Section 5.14.7.

5.16 Restrictions on Transfer. No Member may transfer or assign its membership in the Corporation, or any right or interest therein, to any other Person, whether voluntarily or by operation of law, and any such attempted transfer or assignment shall be null and void and without any force or effect whatsoever; provided, however, that, notwithstanding the foregoing, a Member may, with the prior consent of the Secretary of the Corporation, transfer or assign its membership in the Corporation, and all (but not less than all) of its rights and interests therein, to any Person (other than another Member or the Affiliate of another Member) that acquires all or substantially all of the assets or stock of, or all or substantially all of the partnership, limited liability company membership, or other ownership interests in, the Member. Notwithstanding any such permitted transfer or assignment, all dispute resolution proceedings and appeals that are in effect or pending as of the date of such transfer or assignment shall be followed to completion by the transferring or assigning Member and by other affected Members pursuant to these Operational Bylaws.

5.17 Effect of Membership. A Member of the Corporation acquires no proprietary or operational interest whatsoever in facilities used in interstate transmission or wholesale sales of electric energy in interstate commerce solely as a consequence of membership in the Corporation.

ARTICLE VI

MEMBERS REPRESENTATIVE COMMITTEE

6.1 Powers and Rights of Members Representative Committee Members. The Corporation shall have a MRC which, subject to these Operational Bylaws and applicable law, shall have the following rights and powers:

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

6.1.1 The exclusive right and power to (i) elect members of the Board of Trustees pursuant to Section 7.2.5, and (ii) remove any Trustee without cause pursuant to Section 7.3;

6.1.2 The nonexclusive right and power to (i) fill vacancies of the Membership Dispute Resolution Committee pursuant to Section 5.4, and (ii) remove any Trustee for cause pursuant to Section 7.3;

6.1.3 The exclusive right and power to elect members of the Arbitration Committee;

6.1.4 The right and power to provide consultation to the Board of Trustees concerning the Special Issues List as provided under Sections 7.16.1 and 7.16.2 below, and to review and vote on a proposal under the Special Issues List, as provided in Section 7.16.2.4 below; and

6.1.5 The MRC may initiate a management audit to be conducted by a qualified independent entity no more frequently than once every four (4) years. The independent auditor shall be chosen and overseen by the majority vote of three (3) members of the MRC (chosen by the MRC) and three (3) members of the Board of Trustees (chosen by the Trustees).

6.2 Number of Members Representative Committee Members. There shall be thirty (30) members of the MRC, elected as specified in Section 6.3.

6.3 Election of Members Representative Committee Members.

6.3.1 The members of the MRC shall be elected annually by the Members to represent their Member Class or Member Sub-Class. In any election of members of the MRC, Members shall vote by Member Class or Member Sub-Class, and each voting Member in each Member Class or Member Sub-Class shall have the same voting rights as every other Member in such Member Class or Member Sub-Class.

6.3.2 In the election of members of the MRC, the voting rights of the Members shall be as follows for a Member Class with no Member Sub-Classes and a Member Class in which each Member Sub-Class has at least the threshold number of Members specified for each Member Sub-Class in Section 5.14.2. If a Member Class has one (1) or more Member Sub-Classes with fewer than the applicable threshold number of Members, then the voting rights shall be as set forth in Section 6.3.3:

(i) Major Transmitting Utilities Class. Six (6) members of the MRC shall be representatives of, and shall be elected by, the Members of the Major Transmitting Utility Member Class that are entitled to vote under Section 5.14. 3(i).

(ii) Transmission-Dependent Utilities Class. Six (6) members of the MRC shall be representatives of, and shall be elected by, the Members in the Transmission-Dependent Utilities Member Class. **[Drafting note: Sub-class with thresholds are under consideration]**

(iii) Generators, Power Marketers, and Others Class. Six (6) members of the MRC shall be representatives of, and shall be elected by, Members in the Generators, Power Marketers, and Others Member Class. The voting rights of the Members in the Generators, Power Marketers, and Others Member Class shall be as follows:

(a) Five (5) members of the MRC shall be representatives of, and shall be elected by, the Members in the Generators, Power Marketers, and Others Member Class that are either Generators or Power Marketers, and such Members shall be entitled to nominate and vote in the election of each of such five (5) members of the MRC, but shall not be entitled to nominate or vote in the election of any other members of the MRC; and

(b) One (1) member of the MRC shall be a representative of, and shall be elected by, the Members in the Generators, Power Marketers, and Others Member Class that are not either Generators or Power Marketers, and such Members shall be entitled to nominate and vote in the election of such member of the MRC, but shall not be entitled to nominate or vote in the election of any other members of the MRC.

(iv) End-Use Consumer Class. In the election of members of the MRC, the voting rights of the Members in the End-Use Consumers Member Class shall be as follows:

(a) Two (2) members of the MRC shall be representatives of, and shall be elected by, Large Unbundled End-Use Consumers if there are at least two (2) Members of the sub-class. Members that are Large Unbundled End-Use Consumers shall be entitled to nominate and vote in the election of such members of the MRC in accordance with the foregoing rights, but shall not be entitled to nominate or vote in the election of any other members of the MRC.

(b) One (1) member of the MRC shall be the representative of, and shall be elected by, Large Bundled End-Use Consumers. Members that are Large Bundled End-Use Consumers shall be entitled to nominate and vote in the election of such members of the MRC in accordance with the foregoing rights, but shall not be entitled to nominate or vote in the election of any other members of the MRC.

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

(c) Three (3) members of the MRC shall be representatives of, and shall be elected by, Consumer Advocates, if there are at least three (3) Members of the sub-class. Members that are Consumer Advocates shall be entitled to nominate and vote in the election of such members of the MRC in accordance with the foregoing rights, but shall not be entitled to nominate or vote in the election of any other members of the MRC.

(v) State and Provincial Energy Authorities/Tribes/Certain Public Interest Groups Class. In the election of members of the MRC, the voting rights of the Members in the State and Provincial Energy Authorities/Tribes/Certain Public Interest Groups Member Class shall be as follows; provided, however, ex officio Members of the State and Provincial Energy Authorities Member Sub-Class may neither vote nor serve as representatives to the MRC:

(a) Four (4) members of the MRC shall be representatives of, and shall be elected by, State and Provincial Energy Authorities. Members that are State or Provincial Energy Authorities shall be entitled to nominate and vote in the election of each of such four (4) members of the MRC, but shall not be entitled to nominate or vote in the election of any other members of the MRC.

(b) One (1) member of the MRC shall be the representative of, and shall be elected by, Tribes. Members that are Tribes shall be entitled to nominate and vote in the election of such member of the MRC, but shall not be entitled to nominate or vote in the election of any other members of the MRC.

(c) One (1) member of the MRC shall be the representative of, and shall be elected by, Certain Public Interest Groups Member Sub-Class. Members that are Certain Public Interest Groups shall be entitled to nominate and vote in the election of such member of the MRC, but shall not be entitled to nominate or vote in the election of any other members of the MRC.

6.3.3 If a Member Class has one (1) or more Member Sub-Classes with fewer than the applicable threshold number of Members, then the voting rights shall be as set forth in this Section 6.3.3.

(i) A Member Sub-Class that does not meet the threshold for the number of Members for the Member Sub-Class set in Section 5.14.2 shall elect a number of representatives to the Member Representatives Committee according to the following formula:

$$\frac{M}{T} * R = R_{\text{revised}}$$

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

The numerator ‘**M**’ is the number of Members in the Member Sub-Class.

The denominator ‘**T**’ is the threshold for the Member Sub-Class.

The variable ‘**R**’ is the number of MRC representatives assigned to the Member Sub-Class in Section 6.3.2.

The result ‘**R**_{revised}’ is rounded to the next highest whole number if the first digit following the decimal is five (5) or greater, or rounded to the next lower whole number (including zero (0)) if the first digit following the decimal is less than five (5) and represents the number of MRC representatives the Member Sub-Class may elect.

By way of illustration, if a Member Sub-Class is entitled to elect five (5) MRC Members if it meets its threshold of five (5) Members, but there are only four (4) Members in the Member Sub-Class, then the Member Sub-Class elects MRC representatives,

$$\frac{4}{5} * 5 = 4.$$

By way of further illustration, if a Member Sub-Class has no Members, it will have no MRC representative elected only to represent the interest of that Member Sub-Class,

$$\frac{0}{5} * 5 = 0.$$

(ii) If the MRC representatives elected by all the Member Sub-Classes in a Member Class equal less than six (6) because of the allocation of MRC representatives described in Section 6.3.3(i), the Member Class as a whole shall elect enough additional MRC representatives to bring the total Member Class representatives to the MRC to six (6).

6.3.4 Notice of any meeting for the election of one (1) or more members of the MRC shall be sent to the Members not less than thirty (30) and not more than fifty (50) days prior to the date of the meeting, in accordance with the provisions of Section 5.10. Any Member in any Member Class wishing to nominate any individual for consideration in any such election shall be required to submit the name of such nominee (along with a statement of qualifications, not exceeding two pages in length in any instance, for each nominee) to the Secretary of the Corporation within ten (10) days of the meeting notice date. The Secretary of the Corporation shall, immediately after expiration of such nomination deadline, notify the Members of the

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

names of the nominees for members of the MRC and distribute to each Member a copy of the statement of qualifications of each such nominee.

6.3.5 The members of the MRC shall be elected by the affirmative vote, by Member Class (or Member Sub-Class, as the case may be), of the Members present and entitled to vote in the applicable Member Class (or Member Sub-Class, as the case may be) at a duly held meeting of the Members. Subject to Section 6.3.2, in any election of members of the MRC:

(i) each Member in each Member Class (or Member Sub-Class, as the case may be) shall be entitled to a number of votes equal to the number of MRC vacancies to be filled by such Member’s Member Class (or Member Sub-Class, as the case may be) in such election;

(ii) each Member in each Member Class (or Member Sub-Class, as the case may be) shall be entitled to vote for any nominee for election as a representative of such Member Class (or Member Sub-Class, as the case may be) on the MRC; and

(iii) no Member may cast more than one (1) vote for any given nominee.

The nominees of each Member Class or Member Sub-Class shall be ranked according to the number of votes received by each, and the number of nominees who receive the largest number of votes in such Member Class or Member Sub-Class, up to the number of nominees as is equal to the number of MRC vacancies to be filled by such Member Class or Member Sub-Class, as the case may be, in such election, shall be elected to fill such MRC vacancies. In the event that one or more MRC vacancies cannot be filled because two (2) or more nominees receive the same number of votes, a runoff election shall be held among the tied nominees for each such vacancy. In such runoff election, each Member in the Member Class or Member Sub-Class may cast one (1) vote for one (1) of the tied nominees for each such vacancy. The nominee who receives the largest number of votes shall be elected to fill such MRC vacancy. Immediately following any election of MRC members, the Secretary of the Corporation shall provide official notice of the results of such election to the Members.

6.4 Procedures in Election of Members Representative Committee Members.

6.4.1 The MRC immediately before the Developmental Board of Trustees adopts these Operational Bylaws shall automatically be the MRC under these Operational Bylaws and serve until the first bi-annual meeting of the Members following the adoption of these Operational Bylaws.

6.4.2 The Board of Trustees shall develop such procedures as they deem reasonable and necessary to ensure that the Members in each Member Class are aware of their right to participate in the nomination and election of MRC members.

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

6.4.3 Unless otherwise specified herein, the Secretary of the Corporation shall determine the appropriate mechanisms and election procedures for elections of MRC members, based on time constraints and other relevant factors. Elections may be held by written ballot at a meeting, votes cast at a meeting, or such other procedures as the Secretary of the Corporation designates.

6.5 Term of Office of Members Representative Committee Members. The term of office for MRC members shall be one (1) year. The MRC shall be elected at each annual meeting. All MRC members may serve an unlimited number of terms.

6.6 Resignation or Removal of Members Representative Committee Members; Vacancies. A resignation of a MRC member shall be effective upon receipt of written notice by the chairperson of the MRC, or the President or the Secretary of the Corporation, unless the notice specifies a later time of effectiveness. A Member Class or Member Sub-Class may remove any MRC member whom it has elected at any time, with or without cause, by the affirmative vote of a majority of the Members present and entitled to vote in such Member Class (or Member Sub-Class, as the case may be) at a duly held meeting of the Members of such Member Class (or Member Sub-Class, as the case may be). The MRC may remove any MRC member at any time, but only for cause, if at least twenty (20) of the MRC members vote in favor of such removal, at least four (4) of whom must be representatives of the same Member Class as the MRC member who is the subject of the removal vote. If a vacancy occurs, the Members entitled under these Operational Bylaws to elect such MRC member shall fill the vacancy in accordance with the provisions of Section 6.3 at a duly held meeting called in accordance with Section 5.10.2; provided, however, that a meeting of only the Member Class or Member Sub-Class is required for any election or removal in which only a Member Class or Member Sub-Class is entitled to vote. A MRC member so elected shall serve for the unexpired term of his or her predecessor. For purposes of this Section 6.6, “for cause” shall include, without limitation, a failure on the part of any MRC member, in any fiscal year, to attend more than one-half (1/2) of the meetings of the MRC held during such year.

6.7 Meetings of the Members Representative Committee.

6.7.1 At its first meeting in each fiscal year, the MRC shall elect officers, including a chairperson of the MRC to preside over meetings.

6.7.2 Regularly scheduled or special meetings shall be held at such times as shall from time to time be fixed by the chairperson of the MRC. Special meetings of the MRC for any purpose or purposes permitted by these Operational Bylaws may be called at any time by the chairperson of the MRC or by any ten (10) MRC members.

6.7.3 Members of the MRC may participate in a meeting through the use of conference telephone, electronic video screen communication, or similar communications

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

equipment, so long as all MRC members participating in such meeting can hear one another at the same time. Participation in a meeting pursuant to this Section 6.7.3 shall constitute presence in person at such meeting.

6.7.4 The MRC may, subject to any applicable law, take any action without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by all of the MRC members then in office.

6.7.5 The Secretary of the Corporation shall maintain minutes of each meeting of the MRC or subcommittee thereof, and each written consent of the MRC or any subcommittee thereof.

6.8 Notice of Members Representative Committee Meetings. Notice of regularly scheduled and special meetings shall be given to the MRC members not less than fifteen (15) days prior to the meeting if delivered by first-class mail or not less than ten (10) days prior to the meeting if the notice is delivered personally, by telephone, by facsimile, or by electronic mail; provided, however, that notice of special meetings shall not be sent by electronic mail.

6.9 Open Meetings of Members Representative Committee. All MRC meetings shall be open; provided, however, meetings of the MRC to nominate, discuss or select Trustees shall be closed in order to facilitate participation by the broadest and most diverse array of qualified candidates in the Trustees selection process and to protect the confidentiality of information relating to actual or potential candidates for election to the Board of Trustees.

6.10 Waivers of Notice. The notice requirements contained in these Operational Bylaws may be waived in writing by any MRC member with respect to himself or herself, either before or after the meeting. The attendance by any MRC member at a meeting shall constitute a waiver of notice of such meeting except where such MRC member attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. All waivers shall be made part of the minutes of the meetings.

6.11 Quorum of Members Representative Committee Members. A quorum for any meeting of the MRC shall be a majority of the MRC members then in office. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of MRC members, if any action taken is approved by the required number of MRC members, as specified in these Operational Bylaws. A majority of the MRC members then present, whether or not constituting a quorum, may adjourn any meeting to another time and place.

6.12 Voting of Members Representative Committee Members. Except where a greater vote is required by the Articles of Incorporation, applicable law, or these Operational Bylaws, the affirmative vote of a majority of the MRC members then in office shall be the act of the MRC. Each voting MRC member shall have one (1) vote. MRC members may not vote by

(Incorporates RRG Recommendations & Technical and Editorial Changes)***

proxy, and shall not be required to vote by class. When voting on matters coming before the MRC, each MRC member shall vote in a manner, as determined by each such MRC member, that is consistent with the interests of the Member Class (or Member Sub-Class, as the case may be) that elected it and with the purposes of the Corporation as set forth in Article III. In addition, when selecting individuals for the Board of Trustees, each MRC member shall endeavor to select individuals who, in the judgment of each such MRC member, best satisfy the criteria set forth in Section 7.2.2.

6.13 Subcommittees of Members Representative Committee. The MRC may, by resolution adopted by a majority of the MRC members then in office, designate one (1) or more subcommittees, each consisting of seven (7) or more MRC members, to serve at the pleasure of the MRC. Appointments to such subcommittees shall be made annually by a two-thirds (2/3) vote of the MRC members then in office. Each subcommittee shall have such authority of the MRC as is delegated by resolution of the MRC, except that no subcommittee, regardless of the MRC resolution, may elect, appoint, or remove any member of such subcommittee, any member of the MRC, or any Trustee.

6.14 Arbitration Committee. The MRC shall elect annually the members of a committee called the Arbitration Committee. The Arbitration Committee shall monitor and oversee compliance with the provisions of Article XIII (Alternative Dispute Resolution), as well as carry out any other functions designated for it in Article XIII or in any other documents of the Corporation. The Arbitration Committee shall consist of three members, who may serve an unlimited number of terms. The MRC shall endeavor, over the course of continuing Arbitration Committee terms, to provide for representation on the Arbitration Committee that is balanced and reflects the Member Classes and stakeholder interests affected by the Corporation’s activities. The Arbitration Committee has the authority to establish such rules and procedures as may be necessary to supplement the arbitration procedures set forth in these Operational Bylaws.

ARTICLE VII

BOARD OF TRUSTEES

***Drafting note:** The bylaw workgroup is evaluating how the governance structure of an organization such as Gridwest can be used control costs. The bylaws workgroup plans to post a list of the cost control provisions contained within the Operational Bylaws on the Gridwest Website. In addition, the bylaws workgroup is evaluating cost control mechanisms used by existing ISOs and RTOs. Once the bylaw workgroup has a better sense of the control mechanisms used by existing ISOs and RTOs, it will suggest which, if any, mechanisms should be removed from the Operational Bylaws, and which mechanisms, if any, should be added to the Operational Bylaws.*

7.1 Board of Trustees.

7.1.1 Authorities and Transition to Operational Board of Trustees.

(i) The Board of Trustees shall have the full authorities allowed by law, except as otherwise specified in the Articles of Incorporation or the Operational Bylaws. Without in any way limiting the foregoing, the Board of Trustees shall have the power to borrow funds, establish and exercise lines of credit and engage in all other financial transactions necessary and useful in carrying out the purposes of the Corporation.

(ii) All powers and activities of the Corporation shall be exercised and managed by the Board of Trustees or, if delegated, under the ultimate direction of the Board of Trustees.

(iii) Without in any way limiting the foregoing, any and all proposed amendments or modifications to any tariff of the Corporation shall be required to be submitted to the Board of Trustees for consideration and approval and, except as otherwise provided by applicable law, the effectiveness of any such amendment or modification shall be subject to approval by the Board of Trustees.

(iv) The Developmental Board of Trustees shall serve as a caretaker board of trustees under these Operational Bylaws until the election of the Operational Board of Trustees. The election of the Operational Board of Trustees shall occur as soon as practicable after the adoption of these Operational Bylaws. The Developmental Board of Trustees Board of Trustees may not offer transmission and related services.

(v) The Operational Board of Trustees may not offer transmission and related services until such time as (a) the Bonneville Power Administration’s contingencies and those contingences of at least two investor-owned utilities with

transmission systems contiguous with Bonneville’s system related to execution of Transmission Agreements with the Corporation have been waived or satisfied, (b) any necessary state regulatory review or approval have been received, (c) FERC has issued an order holding (without conditions or required changes) that the governance structure set forth in these Operational Bylaws allow Grid West to satisfy the independence requirements of FERC Order 2000 and its amendments, and (d) any other FERC review or approval sought by Grid West, the Bonneville Power Administration or the investor-owned utilities with transmission systems contiguous with Bonneville’s system related to Transmission Agreements have been received and accepted by the applicant..

7.1.2 Number and Classification.

(i) There shall be nine (9) members of the Operational Board of Trustees.

(ii) The members of the Operational Board of Trustees shall be divided into three (3) groups of three members each. In order to stagger the terms of the Board of Trustees, three (3) of the initial Trustees positions shall be one (1) year terms, three (3) of the initial Trustees positions shall be two (2) year terms, and three (3) of the initial Trustees positions shall be three (3) year terms. After the expiration of the initial terms all Trustee positions shall carry three (3) year terms. The MRC shall determine the term each initial Trustee serves.

7.2 Establishment of Operational Board.

7.2.1 For purposes of identifying suitable nominees for election to the Operational Board of Trustees, the Board of Trustees shall select and retain one (1) of the following executive search firms to identify qualified Board candidates satisfying the requirements of these Operational Bylaws: (a) Heidrick & Struggles International, (b) Korn/Ferry International, (c) Russell Reynolds Associates, or (d) any successor or any other executive search firm that possesses broad and longstanding experience in searches for members of the boards of directors or trustees of entities across a broad range of industries.

7.2.2 Prior to election of the Operational Board of Trustees, such executive search firm or firms shall develop a slate of qualified candidates. The Board of Trustees in consultation with the MRC may direct the firm or firms to provide a specific number of candidates, with the minimum to be equal to the number of vacancies plus one (1) and the maximum to be twice the number of vacancies to be filled in such election. The slate of qualified candidates should include individuals possessing, collectively, knowledge of the operational characteristics of the Pacific Northwest power system and executive management experience or board experience with electric utilities and personal abilities and qualities, such as integrity and leadership, problem-solving, facilitation, and consensus-building abilities. The search firm shall also endeavor to include individuals with relevant experience in commodities

markets (including commodities trading risk management), electric bulk power transmission in the Western Interconnection, utilities law, finance, economics, accounting, information technology, engineering, regulation, and public policy; and to achieve racial, ethnic, age, and gender diversity. In screening potential candidates the executive search firm shall be instructed to exclude any candidates likely to have a conflict of interest with the duties of a Trustee. The executive search firm shall also be instructed to obtain appropriate disclosures by candidates (covering themselves and Related Persons to such candidates) regarding financial interests or other potential conflicts of interest in Market Participants, Members, and major contractors of the Corporation. Such disclosures shall also include any such financial interests or other potential conflicts of interest known by the candidates with respect to other family relations of the candidates. Such disclosures of qualified candidates shall be made available on a confidential basis to the MRC upon its election.

7.2.3 Notwithstanding Section 7.2.4, the MRC shall elect two (2) Trustees from the Developmental Board of Trustees to be Trustees on the initial Operational Board of Trustees.

(i) If only one (1) or two (2) Trustees from the Developmental Board of Trustees are willing to serve on the Operational Board of Trustees, those Trustees shall be deemed to have been elected to the Operational Board of Trustees and are not required to stand for election.

(ii) If three (3) or more Trustees from the Developmental Board of Trustees are willing to serve on the Operational Board of Trustees, they shall all stand for election. The two (2) Developmental Board Trustees with the greatest number of votes shall serve as the Trustees of the Operational Board of Trustees.

(iii) The MRC shall also elect, according to the procedures set forth in Section 7.2.5, seven (7) or more additional Trustees so that a total of nine (9) Trustees are elected for the Operational Board of Trustees.

7.2.4 Election of Board of Trustees.

(i) The members of the Board of Trustees shall be elected by the members of the MRC, in accordance with the provisions of this Article VII.

(ii) Except as otherwise provided for the initial Operational Board of Trustees in Section 7.2.3, the members of the Board of Trustees, including nominees designated by the MRC to run unopposed, shall be elected by the affirmative vote of not less than twenty-four (24) of the thirty (30) members of the MRC. In any election of Trustees, each member of the MRC shall be entitled (a) to a number of votes equal to the number of vacancies to be filled in the election and (b) to vote for any nominee for Trustee and shall be required to vote for as many nominees as there are vacancies to be filled in the election; provided, however, that no member of the MRC (1) may cast more

than one (1) vote for any given nominee; (2) may vote for any number of nominees in excess of the number of Board vacancies to be filled in such election, or (3) is required to vote for an unopposed nominee for whom the Member did not vote affirmatively to nominate. Except with respect to the vote on a nominee designated to run unopposed by a Member that did not support the nomination, if any member of the MRC fails, in any election of Trustees, to cast each and all of the votes that such MRC member is entitled to cast, each vote that such MRC member has failed to cast shall be allocated at random, one by one, to another MRC member and cast by such MRC member in favor of a nominee of such member’s choice for Trustee in such election. The Trustees-elect shall comprise only those nominees receiving the highest vote (but not in any event less than twenty-four (24) votes) of the MRC members, up to such number of nominees as is equal to the number of Board vacancies to be filled in such election. If a vacancy cannot be filled because two (2) or more nominees receiving at least twenty-four (24) votes receive the same number of votes, a runoff election shall be held among such nominees and shall be repeated until the tie is broken. If fewer than the requisite number of nominees receive twenty-four (24) or more votes, a runoff election shall be held among the nominees receiving less than twenty-four (24) votes; and in the event that fewer than the requisite number of nominees receive the requisite vote in such runoff election, the MRC shall be entitled to request that the executive search firm or firms retained by the Board of Trustees for the purpose of identifying suitable Trustee candidates undertake a further search for substitute candidates for the vacant position or positions. Immediately following any election of Trustees, the Secretary of the Corporation shall provide official notice of the results of such election to the members of the MRC and the Members.

(iii) Unless otherwise specified herein, the MRC shall determine the appropriate mechanisms and election procedures for elections of Trustees, based on time constraints and other relevant factors. Elections may be held by written ballot at a meeting, votes cast at a meeting, or such other procedures as the MRC designates.

7.3 Resignation or Removal of Trustees; Vacancies. A resignation of a Trustee shall be effective upon receipt of written notice by the chairperson of the Board of Trustees, or the President or the Secretary of the Corporation, unless the notice specifies a later time of effectiveness. The members of the MRC may remove any Trustee at any time, without cause, by the affirmative vote of not less than twenty-four (24) of the members of the MRC present at a duly held meeting of the MRC. The members of the MRC may remove any Trustee at any time, for cause, by the affirmative vote of not less than twenty (20) of the members of the MRC present at a duly held meeting of the MRC. The Board of Trustees may remove any Trustee at any time, but only for cause, if at least two-thirds (2/3) of the Trustees then in office vote in favor of such removal. If a vacancy occurs, the members of the MRC shall elect a replacement Trustee to fill the vacancy in accordance with the provisions of Section 7.2.4. A Trustee so elected shall serve for the unexpired term of his or her predecessor. For purposes of this Section 7.3, “for cause” shall include, without limitation, a Trustee’s willful misconduct or conviction of a felony, violation by a Trustee of the conflict-of-interest or disqualification

provisions of these Operational Bylaws, or a failure on the part of a Trustee, in any fiscal year, to attend more than one-half (1/2) of the meetings of the Board of Trustees held during such year.

7.4 Meetings of the Board of Trustees.

7.4.1 The Board of Trustees shall meet at least six (6) times each fiscal year at such dates, times, and places within the Geographic Area as the Board of Trustees shall determine; provided, however, that the Operational Board of Trustees shall have its first meeting within thirty (30) days following its election. At the first meeting in the first quarter of each fiscal year, the Board of Trustees shall elect officers, including a chairperson of the Board to preside over meetings. The regularly scheduled meetings of the Board of Trustees shall be established for each fiscal year in advance.

7.4.2 In addition to the regular meetings of the Board of Trustees, additional regularly scheduled or special meetings shall be held at such times as shall from time to time be fixed by the chairperson of the Board of Trustees. Special meetings of the Board of Trustees for any purpose or purposes may be called at any time by the President of the Corporation or by any two (2) Trustees.

7.4.3 Trustees may participate in a meeting through the use of conference telephone, electronic video screen communication, or similar communications equipment, so long as all Trustees participating in such meeting can hear one another at the same time and arrangements are made to afford the public an opportunity to attend and observe any such meeting (with the exception of closed sessions held pursuant to Section 7.6). Participation in a meeting pursuant to this Section 7.4.3 shall constitute presence in person at such meeting.

7.4.4 The Board of Trustees may, subject to any applicable law, take any action without a meeting, if a consent in writing, setting forth the action so taken shall be signed by all of the Trustees then in office.

7.4.5 The Secretary of the Corporation shall make public the minutes of each meeting of the Board of Trustees or committee thereof (with the exception of closed sessions held pursuant to Section 7.6), and each written consent of the Board of Trustees or any committee thereof, by posting the same on the Grid West Website and at the offices of the Corporation, or by any other reasonable means, within fifteen (15) days after the date on which the meeting was held or the consent was last signed.

7.5 Notice of Board of Trustees Meetings.

7.5.1 Notice of regularly scheduled and special meetings shall be given to the Trustees not less than ten (10) days prior to the meeting if delivered by first-class mail or not less than five (5) days prior to the meeting if the notice is delivered personally, by telephone, by

facsimile or by electronic mail; provided, however, that notice of special meetings shall not be effective if sent solely by electronic mail.

7.5.2 Public notice of each meeting of the Board of Trustees (including meetings to be held in whole or in part in closed session pursuant to Section 7.6) shall be placed on the Grid West Website and posted at the offices of the Corporation at least ten (10) days prior to the meeting (or the soonest date practicable thereafter) if notice of such meeting has been delivered to the Trustees by first-class mail and at least five (5) days prior to the meeting (or the soonest date practicable thereafter) if notice of such meeting has been delivered to the Trustees personally, by telephone, by facsimile, or by electronic mail. Public notice of any adjournment and reconvening of any such meeting shall be placed on the Grid West Website and posted at the offices of the Corporation as soon as practicable after any such adjournment. Each such notice shall include an agenda that makes it clear which items are for purposes of discussion, which items are for purposes of taking action, and, to the extent practicable, which items are to be considered in a closed session; provided, however, that the failure of any item to be included on any such agenda shall not prevent action from being taken thereon at any meeting. In the event that any changes are made to any such agenda prior to the meeting to which the agenda relates, the Secretary of the Corporation shall make reasonable efforts to provide public notice of any such changes as soon as practicable in advance of the meeting. In addition, notice of each meeting shall be sent by the Secretary of the Corporation, by first-class mail, telegram (charges prepaid), facsimile, or electronic mail, to each Member who so requests, each member of the MRC, and to each member of the public who so requests and who has provided such Secretary of the Corporation with complete information regarding such person's name and address; provided, however, that the failure of any such Member, member of the MRC or public to receive notice of any meeting of the Board of Trustees shall not under any circumstances affect the validity of such meeting or any action taken at such meeting. In the event of any emergency meeting of the Board of Trustees, the notice requirements of this Section 7.5.2 shall be suspended and the Secretary of the Corporation shall use whatever efforts the Secretary of the Corporation, in his or her sole discretion, deems reasonable, in light of all the facts and circumstances, to inform the Members and the public regarding the meeting and the matters scheduled to be considered at the meeting.

7.6 Open Meetings. Meetings of the Board of Trustees held pursuant to this Article VII shall generally be open to any and all Members and any and all members of the public, and except as hereinafter set forth, any member of the public shall be entitled to attend and observe the proceedings of any regular or special meeting of the Board of Trustees. Subject to such procedural restrictions as may be reasonably imposed by the Board of Trustees, Members shall have the right to address the Board of Trustees at all regular or special meetings of the Board. Notwithstanding the foregoing, the Board of Trustees may, at any time during any open meeting of the Board of Trustees, upon approval by the affirmative vote of not less than two-thirds (2/3) of the Trustees present at such meeting, adjourn the meeting and reconvene in a closed session for discussion of litigation or potential litigation, personnel matters, vendor or contractor selection, real estate transactions, commercially sensitive information, and other

matters that are reasonably and in good faith determined by the Board of Trustees to be entitled to confidential treatment. Only Trustees and certain officers, employees, and agents of the Corporation, as designated by the Trustees, may be present during any closed session; provided, however, that to the extent deemed necessary by the chairperson of the Board, any other person or persons having business before the Board of Trustees that relates specifically to the matter or matters to be discussed during any portion of a closed session may be present during such portion of a closed session.

7.7 Waivers of Notice. The notice requirements contained in these Operational Bylaws may be waived in writing by any Trustee with respect to himself or herself, either before or after the meeting. The attendance by any Trustee at a meeting shall constitute a waiver of notice of such meeting except when such Trustee attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. All waivers shall be made part of the minutes of the meetings.

7.8 Quorum of Trustees. A quorum for any meeting of the Board of Trustees shall be a majority of the Trustees then in office. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Trustees, if any action taken is approved by the required number of Trustees, as specified in these Operational Bylaws. A majority of the Trustees then present, whether or not constituting a quorum, may adjourn any meeting to another time and place.

7.9 Voting of Trustees. Except where a greater vote is required by the Articles of Incorporation, applicable law, or these Operational Bylaws, the affirmative vote of a majority of the Trustees then in office shall be the act of the Board of Trustees. Each Trustee shall have one vote. Trustees may not vote by proxy.

7.10 Individuals Who Are Prohibited from Serving as Trustees.

7.10.1 Prohibited Individuals. Except as set forth in Section 7.10.2, no individual may be nominated for election to or become a member of the Board of Trustees, or at any time serve on the Board of Trustees, if such individual (or the spouse, domestic partner, or any legal dependent of such individual):

- (i) has a direct or indirect financial interest in (including the ownership of securities of) a Market Participant or Member (or any Affiliate of any of such Persons); provided, however, that such individual (or the spouse, domestic partner, or any legal dependent of such individual) will be permitted to own securities of a Market Participant or Member (or any Affiliate of any such Persons) through diversified mutual funds (other than those funds concentrating their investments in the electric power industry or the electric utility industry or any segments thereof);

(ii) is connected (or has been connected within one (1) year prior to the date of the meeting to nominate individuals for Trustee) as an owner, director, officer, employee, partner, principal, member of a governing board or council, or in any similar capacity to a Market Participant or Member (or any Affiliate of any of such Persons); provided, however, that an individual who served as an employee elected or appointed public official of a Participating Jurisdiction may be nominated; or

(iii) has a Related Person that is an officer, chief executive or general manager, director or trustee or member of a governing board, or council, or occupies a position of similar capacity of a Market Participant or Member (or any Affiliate of any such Person); provided, however, that the individual may be nominated if the Related Person commits to retire or otherwise leaves the position that gives rise to the disqualification prior to the date of the first meeting of Trustees after the nominee is elected as a Trustee. The Trustee may only serve if the commitment is honored.

7.10.2 Exceptions Concerning Prohibited Individuals. An individual shall not be deemed to be in violation of the restrictions set forth in Section 7.10.1 and shall not be prohibited from serving as Trustee merely because such individual (or the spouse, domestic partner, or any legal dependent of such individual):

(i) is a residential retail consumer of electric energy; or

(ii) continues his or her pre-existing participation in a qualified defined benefits or defined contribution pension plan, or in a nonqualified deferred compensation or pension plan or health benefits plan of a Market Participant or Member (or any Affiliate of any of such Persons) for purposes of receiving pension benefits and post-employment health benefits or remaining eligible to receive such benefits at a future time so long as the benefits to such individual under any such pension plan do not vary with the economic performance of such Market Participant or Member (or any Affiliate of any of such Persons) (other than the potential variance due to risk of bankruptcy) or the value of any securities of any such Market Participant or Member (or any Affiliate of any of such Persons) held by such plan.

7.11 Continuing Restrictions on Former Trustees.

7.11.1 General Restrictions. Except as set forth in Section 7.11.2, during the period of one hundred eighty (180) consecutive days following the date on which an individual ceases to be a Trustee:

(i) neither such individual nor the spouse, domestic partner, or any legal dependent of such individual may have or acquire a direct or indirect financial interest in a Market Participant or Member (or any Affiliate of any of such Persons); provided, however, that such individual (or the spouse, domestic partner, or any legal

dependent of such individual) will be permitted to own securities of a Market Participant or Member (or any Affiliate of any of such Persons) through diversified mutual funds (other than those funds concentrating their investments in the electric power industry or the electric utility industry or any segment thereof);

(ii) neither such individual nor the spouse, domestic partner, or any legal dependent of such individual:

(a) may be or become connected as an owner, director, officer, employee, partner, principal, consultant, or in any similar capacity to a Market Participant or Member (or any Affiliate of any of such Persons); or

(b) may receive in such person’s individual capacity an amount in excess of \$10,000 (U.S.) (exclusive of retirement income or benefits) in the aggregate from the Corporation, any Market Participant, or any Member (or any Affiliate of any of such Persons) as rent or payments for materials, products, or services; and

(iii) neither such individuals nor any Related Person of such individuals may receive an amount in excess of \$10,000 (U.S.) (exclusive of retirement income or benefits) from relationships with other entities that receive substantial amounts of income or other benefits from the Corporation, any Market Participant, or any Member (or any Affiliate of such Persons). The Board of Trustees shall have the discretion to determine from time to time in meetings open to the public what shall constitute substantial amounts of income or other benefits for purposes of this restriction.

7.11.2 Exceptions Concerning Continuing Restrictions. An individual shall not be deemed to be in violation of the restrictions set forth in Section 7.11.1 merely because such individual (or the spouse, domestic partner, or any legal dependent of such individual):

(i) is a residential retail consumer of electric energy; or

(ii) continues his or her pre-existing participation in a qualified defined benefits or defined contribution pension plan, nonqualified deferred compensation or pension plan or health benefits plan of a Market Participant, Member (or any Affiliate of any of such Persons) for purposes of receiving pension benefits and post-employment health benefits or remaining eligible to receive such benefits at a future time so long as the benefits to such individual under any such pension plan do not vary with the economic performance of such Market Participant or Member (or any Affiliate of any of such Persons) (other than the potential variance due to risk of bankruptcy) or the value of any securities of any such Market Participant or Member (or any Affiliate of any of such Persons) held by such plan.

7.12 Standard of Care.

7.12.1 General Standard for Decisions. A Trustee shall perform the duties of a Trustee, including duties as a member of any committee of the Board of Trustees on which the Trustee may serve, in good faith, in a manner that such Trustee believes to be in the best interests of the Corporation in achieving the purposes set forth in Article III, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.

7.12.2 Guiding Principles for Decisions. The Board of Trustees when considering whether to adopt a proposal regarding the provision of transmission services (including the Special Issues List), shall, at a minimum, take into account the following considerations to satisfy itself that any proposal adopted is warranted:

- (i) The proposed change responds to a current, identifiable problem or opportunity and is reasonably expected to result in an improvement over existing practices.
- (ii) The benefits of the proposed change (qualitative or quantitative) the Trustees expect to result from the change, taken individually or in conjunction with other prior or anticipated changes, are likely to be greater than the anticipated burdens of the proposed change.
- (iii) The proposed change can be implemented in a manner that is not inconsistent with the Corporation’s legal obligations, Transmission Agreements, and third party agreements for transmission services that were (a) executed by transmission owners and operators signing Transmission Agreements, and (b) in existence before the Corporation offers transmission services.
- (iv) The proposed change is not reasonably expected to preclude the implementation of further changes in the future to solve remaining problems (including remaining items on the Special Issues List) or take advantage of opportunities.
- (v) The proposed change is reasonably designed to minimize or mitigate cost shifts.

7.12.3 On-Going Regional Consultation. In addition to complying with the mandatory consultation provisions applicable to the Special Issues List and as set forth in Section 7.16 of these Operational Bylaws, the Board of Trustees shall develop (and may, as it deems appropriate, modify from time to time) general policies and procedures designed to promote ongoing input to the Board of Trustees from interested parties throughout the Geographic Area (including Members and Governmental Committee) and to provide clear, useful information to interested parties throughout the Geographic Area concerning the

Corporation’s activities and policies and any potential changes to the Corporation’s existing practices.

7.12.4 Business Plan. The Operational Board of Trustees shall consider the business plan recommended by the Developmental Board of Trustees and either (i) adopt and implement such plan or (ii) adopt an alternative plan after submitting proposed changes and an estimate of their costs to the Board Advisory committee for review and comment (including submission of any proposed alternative proposals).

7.12.5 Information a Trustee May Rely Upon. In performing the duties of Trustee, a Trustee shall be entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, in each case prepared or presented by:

- (i) any advisory committee established by the Board of Trustees pursuant to Section 8.2 of these Bylaws;
- (ii) one (1) or more officers or employees of the Corporation whom the Trustee reasonably believes to be reliable and competent in the matter presented;
- (iii) legal counsel, public accountants, or other persons as to matters that the Trustee reasonably believes are within such person’s professional or expert competence; or
- (iv) a committee of the Board of Trustees upon which the Trustee does not serve, duly designated in accordance with a provision in the Articles of Incorporation or these Operational Bylaws, as to matters within such committee’s designated authority, which committee the Trustee believes to merit confidence; so long as, in any such case, the Trustee acts in good faith, after reasonable inquiry when the need therefore is indicated by the circumstances and without knowledge that would cause such reliance to be unwarranted.

7.12.6 Conduct Rules. The Board of Trustees shall maintain Trustee conduct rules. These Operational Bylaws incorporate the Trustee conduct rules in effect under the Developmental Bylaws on the date these Operational Bylaws become effective. The Board of Trustees shall ensure, to the extent practicable, that each Trustee complies with the Corporation’s Trustees conduct rules, which Trustee conduct rules may be changed from time to time by the Board of Trustees. The Board of Trustees shall also comply with all applicable rules of FERC and other regulators.

7.12.7 Independence from Market Participants. The Board of Trustees shall develop and implement policies, designed to ensure independence from Market Participants, regarding the ownership of securities of suppliers of the Corporation or of other financial interest relating to the Corporation, by Trustees, officers, and employees of the Corporation (including

Related Persons of such Trustees, officers, and employees). Each Trustee, officer, and other employee of the Corporation as may be designated pursuant to policies established by the Board of Trustees shall file an annual compliance affidavit with the Board of Trustees.

7.13 Prohibition Against Loans. The Corporation shall not make any loan of money or property to or guarantee the obligation of any Trustee or Related Person of a Trustee; provided, however, that the Corporation may advance money to a Trustee for expenses reasonably anticipated to be incurred in performance of the duties of such Trustee so long as such individual would be entitled to reimbursement for such expenses absent such advance.

7.14 Inspection Rights. Every Trustee shall have the absolute right at any reasonable time to inspect and copy all books, records, and documents, and to inspect the physical properties, of the Corporation. No Trustee shall use or disseminate any information (other than any information regarding a violation of tariffs or laws) obtained as a result of any such inspection, or otherwise in his or her capacity as a Trustee, for his or her own personal gain or to the detriment of the Corporation.

7.15 Compensation of Trustees.

7.15.1 Trustees shall receive base compensation in the amount of \$30,000 (U.S.) per year and additional compensation in the amount of \$1,000 (U.S.) per day for attendance at each meeting of the Board of Trustees or committee thereof, and \$500 (U.S.) per day for any other meetings related to the business of the Corporation that the Board of Trustees determines a Trustee should attend, to obtain the widest possible input into the decisions of the Board of Trustees and to avoid hardship on the part of such Trustees; provided, however, that the total compensation for each Trustee shall not exceed \$120,000 (U.S.) in any calendar year.

7.15.2 The dollar amounts specified in Section 7.15.1 above, shall be adjusted prospectively for inflation by the Board of Trustees every five (5) years not counting the year these Operational Bylaws become effective based upon the appropriate federal index. This adjustment shall occur without an amendment of these Operational Bylaws.

7.15.3 Trustees shall also be entitled to receive reimbursement for reasonable and necessary travel and other actual expenses incurred in performing duties of their offices and in attending meetings of the Board of Trustees and meetings of committees of the Board of Trustees or advisory committees.

7.15.4 While serving as a Trustee, a Trustee shall not be an officer or employee of the Corporation, or a consultant to the Corporation.

7.16 Special Issues List.

7.16.1 The Special Issues List. The authorizations specified in subsections (i), (iii), (iv), and (v) below, together with the action specified in subsection (ii), constitute the “Special Issues List” under these Operational Bylaws. To invoke the authorizations specified in subsections (i), (iii), (iv), and (v) below or to take the action specified in subsection (ii), the Corporation must comply with procedural requirements set forth in Section 7.16.2 and the timing requirements set forth Section 7.16.3.

- (i) Authorization to exercise **backstop** measures with respect to **chronic, significant, commercial congestion**;
- (ii) Departure from using the **company rate approach** to recover fixed costs of transmission service;
- (iii) Authorization for the Corporation to convert the transmission rights of the transmission owners to **financial rights** and to issue new financial rights;
- (iv) Authorization for the Corporation’s market monitor to impose penalties or actively intervene in markets; and
- (v) Authorization for the Corporation to adopt and enforce a loss methodology that overrides individual company loss methodologies. [*Drafting note: Descriptions of the highlighted terms are being considered.*]

7.16.2 Procedural Requirements Applicable to Special Issues List. An action by the Corporation to invoke an authorization or take an action identified on the Special Issues List is subject to the procedural requirements set forth in Sections 7.16.2.(i) through 7.16.2.(vi) below.

(i) Preliminary Consultations Related to Proposal Development. In the course of developing a proposal to invoke an authorization or take an action identified on the Special Issues List, the Board of Trustees may seek preliminary input from the general public, as well as Members, the MRC, and the Governmental Committee.

(ii) Mandatory Consultation Process. If the Board of Trustees intends to vote on adopting a proposal to invoke an authorization or take an action identified on the Special Issues List, the Board of Trustees shall provide notice of its proposal according to its then-effective policies for providing notice to the general public, as well as to Members, the MRC, and the Governmental Committee. After providing notice, the Board of Trustees shall complete formal consultation processes concerning the proposal (which may be separate or combined) with the MRC and with the Governmental

Committee. The Board of Trustees shall provide not less than 45 days to complete its formal consultation processes before voting to adopt a proposal to invoke an authorization or take an action identified on the Special Issues List. This formal consultation period may overlap with any period of notice required in connection with the Board of Trustees vote under Section 7.16.2.(iii).

(iii) Board of Trustees Vote To Adopt a Proposal. Within 14 days after completing the mandatory consultation process set forth in Section 7.16.2.(ii) above, the Board of Trustees (in compliance with all applicable provisions of these Bylaws concerning notice of and the manner of conducting meetings of the Board of Trustees) shall vote on whether to adopt a proposal to invoke an authorization or take an action identified on the Special Issues List. The Board of Trustees may, before voting, make changes to its proposal as noticed for the mandatory consultation process under Section 7.16.2.(ii) to reflect input received during mandatory consultations. As provided in Section 7.12, the affirmative vote of a majority of Trustees then in office shall be sufficient to adopt the proposal. If the Board of Trustees adopts the proposal it shall summarize in writing (which may be the minutes of the board meeting) its consideration of the provisions set forth in Section 7.12.2. If the Board of Trustees votes to adopt the proposal, the Board of Trustees shall comply with the additional requirements set forth below in Sections 7.16.2.(iv) through 7.16.2.(vi).

(iv) Submission of Proposal to Members Representative Committee Vote. Subject to all applicable provisions of these Bylaws concerning notice of and the manner of conducting meetings of the MRC, the Board of Trustees shall, within 14 days after any vote to adopt a proposal under Section 7.16.2.(iii) above, submit to the MRC the proposal as adopted by the Board of Trustees. With respect to a proposal to take an action or invoke an authorization specified in Section 7.16.1(ii), (iii), or (v), the Board of Trustees shall also comply with the provisions of Section 7.16.3 below.

(v) Members Representative Committee Vote. Promptly after receiving a proposal from the Board of Trustees under Section 7.16.2.(iv) above, the MRC shall issue (or caused to be issued) notice of a meeting of the MRC to vote on the proposal. Promptly following the completion of any notice period required by these Bylaws, the MRC shall vote to indicate whether it supports a proposal submitted to it by the Board of Trustees in accordance with Section 7.16.2.(iv).

(a) Unless the MRC votes (as specified in Section 7.16.2.(v)(b) below) to remand a proposal submitted to it by the Board of Trustees in accordance with Section 7.16.2.(iv), the Board of Trustees may, after the MRC has voted, implement the proposal without any further vote of the Board of Trustees.

(Incorporates RRG Recommendations & Technical and Editorial Changes)***

(b) If the MRC votes to remand a proposal submitted to it by the Board of Trustees in accordance with Section 7.16.2.(iv), final adoption of proposal shall require a vote of the Board of Trustees in accordance with Section 7.16.2.(vi). The MRC may vote to remand a proposal submitted to it by the Board of Trustees in accordance with Section 7.16.2.(iv) in one of two ways. The first way is by having at least 20 of the 30 MRC members vote against the Board’s proposal (a “20- vote remand”). The required threshold for a 20- vote remand is 20 negative votes even if fewer than all 30 MRC members vote. The second way is for at least 16 MRC members to vote against the Board of Trustee’s decision; provided, however, that the minimum total of 16 negative votes includes a unanimous negative vote by every MRC member within at least one Member Class (a “unanimous Member Class remand”). As with the 20-vote remand, the minimum thresholds for the unanimous Member Class remand (minimum 16 negative votes total with at least one Member Class’s representatives submitting a unanimous negative vote) shall apply without regard to how many of the 30 MRC members participate in the vote. Furthermore, to fulfill the requirements of a unanimous Member Class remand, every MRC member then in office from the relevant Member Class must cast a negative vote, without regard to how many MRC members from the relevant Member Class are in office or attend the Member MRC meeting at the time of the vote.

(vi) Final Board of Trustees Vote. If the MRC votes to remand a proposal submitted to it by the Board of Trustees in accordance with Section 7.16.2 (iv), the Board of Trustees may, following the MRC vote required under Section 7.16.2 (v) (and in compliance with all applicable provisions of these Bylaws concerning notice of and the manner of conducting meetings of the Board of Trustees) take final action to adopt the proposal only by an affirmative vote of not less than seven of the Trustees then in office.

7.16.3 Timing Requirements Applicable to Special Issues List. In addition to the procedural requirements set forth in Section 7.16.2, actions by the Board of Trustees to invoke an authorization or take an action identified on the Special Issues List shall be subject to the timing requirements specified in Sections 7.16.3 (i) through 7.16.3 (iv) below.

(i) The Board of Trustees may not seek to invoke the backstop authorization with respect to chronic, significant, commercial congestion specified in Section 7.16.1(i) until the Board of Trustees is satisfied that it has sufficient knowledge regarding where the transmission system is congested, what the congestion is costing users, and the potential alternatives available to address the congestion. The Board of Trustees may invoke this authorization before a full financial rights-based congestion management system is in place.

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

(ii) The Board of Trustees may not seek to take the action specified in Section 7.16.1(ii) sooner than eight (8) years following the date on which the Corporation first initiates commercial services to customers pursuant to a transmission service tariff filed with and approved by FERC.

(iii) With respect to the authorization specified in Section 7.16.1(iii):

(a) The Board of Trustees may not seek to invoke the authorization specified in Section 7.16.1(iii) before the Corporation has completed an inventory of pre-existing claims on the regional transmission system (pre-existing transmission rights and obligations). The Board of Trustees shall cause the Corporation to complete this inventory by no later than two (2) years following the date on which the Corporation first initiates commercial services to customers pursuant to a transmission service tariff filed with and approved by FERC.

(b) Within no more than three (3) years following the date on which the Corporation first initiates commercial services to customers pursuant to a transmission service tariff filed with and approved by FERC, the Board of Trustees must complete an evaluation of whether it is feasible and makes sense to transition to financial-rights-based congestion management as contemplated under Section 7.16.1(iii). After completing its evaluation, if the Board of Trustees concludes that the transition is feasible and prudent, the Board of Trustees may take no longer than six (6) months to make a proposal to the MRC to transition to financial-rights-based congestion management. If the Board of Trustees concludes that it is not feasible or prudent at the time of its initial evaluation, it shall not propose the transition, but the Board of Trustees shall revisit its decision every two years thereafter.

(iv) The Board of Trustees shall affirmatively consider whether it is in the best interests of the Corporation and its Members (as a whole) to invoke the authorization specified in Section 7.16.1(v) no more than three (3) years following the date on which the Corporation first initiates commercial services to customers pursuant to a transmission service tariff filed with and approved by FERC.

A Member may appoint no more than three representatives, and three alternates, who represent the interests of the Member or its Affiliates. A Member may at any time, effective upon notice to the Secretary of the Corporation, replace the individuals who are authorized to participate on the Board Advisory Committee. Such opportunity shall be afforded through notice to the Board Advisory Committee and Governmental Committee of any such proposed action not less than thirty (30) days prior to any final action thereon by the Board of Trustees; provided, however, that the Board of Trustees shall endeavor to provide the annual budget to the Board Advisory Committee and Governmental Committee at least ninety (90) days prior to any final action thereon by the Board of Trustees. Notice of all matters on which the Board Advisory Committee and Governmental Committee shall have the opportunity to advise the Board of Trustees prior to this Section 8.5.3 shall be posted on the Grid West Website and sent, not less than thirty (30) days before any final action, to each member of the public who has requested notice of Member meetings, for the purpose of allowing public comment and advice by the Board Advisory Committee and Governmental Committee. All public comments shall be made available to the Board Advisory Committee and Governmental Committee by the Secretary of the Corporation.

8.5.4 The Board Advisory Committee shall develop procedures to ensure that each Board Advisory Committee member has an adequate opportunity to propose issues for, and comment on issues under, consideration by the Board Advisory Committee.

8.5.5 The members of the Board Advisory Committee shall not vote on any issue, but shall instead provide advice to the Board of Trustees in the form of position papers reflecting all divergent points of view of Board Advisory Committee members (or, in the event that there is complete consensus among all the members of the Board Advisory Committee on an issue, a single position paper reflecting such consensus). 8.5.6 The Board Advisory Committee shall select a chairperson and a vice chairperson who will convene and conduct the meetings of the Board Advisory Committee. The Board of Trustees shall be required to meet with the chairperson of the Board Advisory Committee not less than four times each fiscal year, advance notice of which shall be provided to other members of the Board Advisory Committee to afford them an opportunity to attend.

8.5.7 The Board Advisory Committee shall develop procedures to ensure that the business of the Board Advisory Committee is conducted in an effective, organized and timely manner. Minutes of each meeting of any committee (with the exception of closed sessions held pursuant to Section 7.6) shall be kept and filed with the corporate records. ARTICLE XI

INDEMNIFICATION OF TRUSTEES, OFFICERS, EMPLOYEES AND AGENTS

11.1 Liability of Trustees; Indemnification Rights of Members of the Board of Trustees and Certain Officers.

11.1.1 Except as set forth in Section 7.12, Trustees shall be liable to the Corporation only for the following: (i) acts or omissions that involve intentional misconduct by the director; (ii) knowing violation of law by the director; (iii) conduct violating RCW 23B.08.310; and (iv) any transaction from which the director personally receives a benefit in money, property, or services to which the director is not legally entitled. If the Washington Business Corporation Act, as applied to nonprofit corporations, is amended to authorize corporate action further eliminating or limiting the personal liability of Trustees, then the liability of a Trustee shall be deemed eliminated or limited to the fullest extent permitted by the Washington Business Corporation Act, as so amended.

11.1.2 The Corporation shall indemnify the members of the Board of Trustees and any officers to the full extent permitted by applicable law as then in effect against liability arising out of a Proceeding to which such individual was made a party because the individual is or was a Trustee or officer of the Corporation. The Corporation shall advance expenses (including attorneys fees) incurred by such persons who are parties to a Proceeding in advance of final disposition of the Proceeding, as provided herein. The Corporation may not indemnify members of the Interim Board.

11.2 Indemnification of Employees and Agents. The Corporation shall have the power, to the fullest extent and in the manner permitted by applicable law, to indemnify and advance expenses (including attorneys fees) to each of its employees and agents against expenses (including attorneys fees), judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with any Proceeding arising by reason of the fact that such person is or was an employee or agent of the Corporation.

11.3 Procedure for Seeking Indemnification or Advancement of Expenses.

(i) Indemnitee shall promptly notify the Secretary of the Corporation in writing of any Proceeding for which indemnification could be sought under this Article XI. In addition, Indemnitee shall give the Corporation such information and cooperation as it may reasonably require and as shall be within Indemnitee's power.

(ii) With respect to any such Proceeding as to which Indemnatee has so notified the Secretary of the Corporation:

(a) The Corporation will be entitled to participate therein at its own expense; and

(b) Except as otherwise provided below, to the extent that it may wish, the Corporation, jointly with any other indemnifying party similarly notified, will be entitled to assume the defense thereof, with counsel satisfactory to Indemnatee. Indemnatee’s consent to such counsel may not be unreasonably withheld.

(iii) After notice from the Corporation to Indemnatee of its election to assume the defense, the Corporation will not be liable to Indemnatee under this Article XI for any legal or other expenses (including attorneys fees) subsequently incurred by Indemnatee in connection with such defense. However, Indemnatee shall continue to have the right to employ its counsel in such Proceeding, at Indemnatee’s expense; and if:

(a) The employment of counsel by Indemnatee has been authorized by the Corporation;

(b) Indemnatee shall have reasonably concluded that there may be a conflict of interest between the Corporation and Indemnatee in the conduct of such defense;

(c) The Corporation shall not in fact have employed counsel to assume the defense of such Proceeding, then the fees and expenses (including attorneys fees) of Indemnatee’s counsel shall be at the expense of the Corporation; and

(d) The Corporation shall not be entitled to assume the defense of any Proceeding brought by or on behalf of the Corporation or as to which Indemnatee shall reasonably have made the conclusion that a conflict of interest may exist between the Corporation and Indemnatee in the conduct of the defense.

11.3.2 Information to Be Submitted and Method of Determination and Authorization of Indemnification

(i) For the purpose of pursuing rights to indemnification under this Article XI, Indemnatee shall submit to the Board of Trustees a sworn statement requesting indemnification and reasonable evidence of all amounts for which such indemnification is requested (together, the sworn statement and the evidence constitute an “Indemnification Statement”).

(Incorporates RRG Recommendations & Technical and Editorial Changes)***

(ii) Submission of an Indemnification Statement to the Board of Trustees shall create a presumption that Indemnatee is entitled to indemnification hereunder, and the Corporation shall, within sixty (60) days thereafter, make the payments requested in the Indemnification Statement to or for the benefit of Indemnatee, unless (a) within such sixty- (60-) day period it shall be determined by the Corporation that Indemnatee is not entitled to indemnification under this Article XI; (b) such vote shall be based upon clear and convincing evidence (sufficient to rebut the foregoing presumption); and (c) Indemnatee shall receive notice in writing of such determination, which notice shall disclose with particularity the evidence upon which the determination is based.

(iii) At the election of the President of the Corporation, the foregoing determination may be made by either (a) a committee chosen by written consent of a majority of the Trustees of the Corporation, and consisting solely of two or more Trustees not at the time parties to the Proceeding, or (b) as provided by RCW 23B.08.550, as amended.

(iv) Any determination that Indemnatee is not entitled to indemnification, and any failure to make the payments requested in the Indemnification Statement, shall be subject to judicial review by any court of competent jurisdiction.

11.3.3 Special Procedure Regarding Advance for Expenses.

(i) An Indemnatee seeking payment of expenses (including attorneys fees) in advance of a final disposition of the Proceeding must furnish the Corporation, as part of the Indemnification Statement:

(a) A written affirmation of Indemnatee’s good faith belief that Indemnatee has met the standard of conduct required to be eligible for indemnification; and

(b) A written undertaking, constituting an unlimited general obligation of Indemnatee, to repay the advance if it is ultimately determined that Indemnatee did not meet the required standard of conduct.

(ii) If the Corporation determines that indemnification is authorized, Indemnatee’s request for advance of expenses (including attorneys fees) shall be granted.

11.3.4 Settlement. The Corporation is not liable to indemnify Indemnatee for any amounts paid in settlement of any Proceeding without the Corporation’s written consent. The Corporation shall not settle any Proceeding in any manner that would impose any penalty or

limitation on Indemnitee without Indemnitee’s written consent. Neither the Corporation nor Indemnitee may unreasonably withhold its consent to a proposed settlement.

11.4 Contract and Related Rights.

11.4.1 Contract Rights. The right of an Indemnitee to indemnification and advancement of expenses (including attorneys fees) is a contract right upon which Indemnitee shall be presumed to have relied in determining to serve or to continue to serve in his or her capacity with the Corporation. Such right shall continue as long as Indemnitee shall be subject to any possible Proceeding. Any amendment to or repeal of this Article XI shall not adversely affect any right or protection of an Indemnitee with respect to any acts or omissions of such Indemnitee occurring prior to such amendment or repeal.

11.4.2 Optional Insurance, Contracts, and Funding. The Corporation may:

- (i) Maintain insurance, at its expense, to protect itself and any Indemnitee against any liability, whether or not the Corporation would have power to indemnify the individual against the same liability under RCW 23B.08.510 or .520, or a successor statute;
- (ii) Enter into contracts with any Indemnitee in furtherance of this Article XI and consistent with applicable law; and
- (iii) Create a trust fund, grant a security interest or use other means (including, without limitation, a letter of credit) to ensure the payment of such amounts as may be necessary to effect indemnification as provided in this Article XI.

11.4.3 Severability. If any provision or application of this Article XI shall be invalid or unenforceable, the remainder of this Article XI and its remaining applications shall not be affected thereby, and shall continue in full force and effect.

11.4.4 Right of Indemnitee to Bring Suit. If (i) a claim under this Article XI for indemnification is not paid in full by the Corporation within sixty (60) days after a written claim has been received by the Corporation or (ii) a claim under this Article XI for advancement of expenses (including attorneys fees) is not paid in full by the Corporation within twenty (20) days after a written claim has been received by the Corporation, then Indemnitee may, but need not, at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. To the extent successful in whole or in part, Indemnitee shall be entitled to also be paid the expense (to be proportionately prorated if Indemnitee is only partially successful) of prosecuting such claim.

11.4.5 No Presumption. Neither (i) the failure of the Corporation (including its Board of Trustees or independent legal counsel) to have made a determination prior to the

commencement of such Proceeding that indemnification or reimbursement or advancement of expenses (including attorneys fees) to Indemnitee is proper in the circumstances nor (ii) an actual determination by the Corporation (including its Board of Trustees or independent legal counsel) that Indemnitee is not entitled to indemnification or to the reimbursement or advancement of expenses (including attorneys fees) shall be a defense to the Proceeding or create a presumption that Indemnitee is not so entitled.

11.5 Exceptions to Corporation’s Obligations. Any other provision herein to the contrary notwithstanding, the Corporation shall not be obligated pursuant to the terms of these Operational Bylaws to indemnify or advance expenses (including attorneys fees) to Indemnitee with respect to any Proceeding involving claims:

11.5.1 initiated or brought voluntarily by Indemnitee and not by way of defense, except with respect to Proceedings brought to establish or enforce a right to indemnification under these Operational Bylaws or any other statute or law or as otherwise required under the statute; but such indemnification or advancement of expenses (including attorneys fees) may be provided by the Corporation in specific cases if the Board of Trustees finds it to be appropriate;

11.5.2 instituted by Indemnitee to enforce or interpret Article XI, if a court of competent jurisdiction determines that each of the material assertions made by Indemnitee in such Proceeding was not made in good faith or was frivolous;

11.5.3 for which any of the expenses (including attorneys fees) or liabilities for which indemnification is being sought have been paid directly to Indemnitee by an insurance carrier under a policy of officers’ and Trustees’ liability insurance maintained by the Corporation; and

11.5.4 with respect to which the Corporation is prohibited by applicable law as then in effect from paying such indemnification or advancement of expenses (including attorneys fees). For example, the Corporation and Indemnitee acknowledge that the Securities and Exchange Commission (the “SEC”) has taken the position that indemnification is not possible for liabilities arising under certain federal securities laws, and federal legislation prohibits indemnification for certain ERISA violations. Indemnitee understands and acknowledges that the Corporation has undertaken or may be required in the future to undertake with the SEC to submit the question of indemnification to a court in certain circumstances for a determination of the Corporation’s right to indemnify Indemnitee.

The vote by each Member Class shall be tabulated separately. In addition, with respect to Member Classes that include Member Sub-Classes, the proportion of voting power cast in each Member Sub-Class shall be tabulated separately, then aggregated with tabulation of other Member Sub-Class votes within the Member Class to determine the proportion of voting power within the Member Class as a whole that has voted in favor of or against the proposal or resolution. An example of how Member Class and Member Sub-Class voting power is to be calculated is set forth in Exhibit A. Notwithstanding Section 5.10.2, the proposed vote must be included on the proposed agenda in order for a vote to be taken on a proposed dissolution.

12.4.4 Distribution of Net Assets. Upon the dissolution or winding up of the Corporation, the Trustees shall, after paying, satisfying, discharging, or making adequate provision for payment of all of the liabilities and obligations of the Corporation, and subject to satisfaction of all applicable requirements of RCW 24.03.225 relating to dis solution, distribute all the remaining assets of the Corporation in accordance with the Articles of Incorporation.

12.5 Amendment of Operational Bylaws.

12.5.1 Methods of Amending Bylaws. These Operational Bylaws may be amended only according to Sections 12.5.2 or 12.5.3 below.

12.5.2 Board of Trustee Proposals to Amend Bylaws. The Board of Trustees may amend these Operational Bylaws only by the affirmative vote of at least two-thirds (2/3) of the Trustees then in office and four (4) out of five (5) Member Classes vote, each by a margin of at least two-thirds (2/3) of the total voting power held by the Member Class, in favor of the amendment. The vote by each Member Class shall be tabulated separately. In addition, with respect to Member Classes that include Member Sub-Classes, the proportion of voting power cast in each Member Sub-Class shall be tabulated separately, then aggregated with tabulation of other Member Sub-Class votes within the Member Class to determine proportion of voting power within Member Class as a whole that has voted in favor of or against the proposal or resolution. An example of how Member Class and Member Sub-Class voting power is to be calculated is set forth in Exhibit A. Notwithstanding Section 5.10.2, the proposed vote must be included on the proposed agenda in order for a vote to be taken on a proposed amendment.

12.5.3 Member Initiatives to Amend Bylaws. A Member may propose amendments of these Operational Bylaws to the Board of Trustees. If the Board of Trustees does

not submit a Member’s proposed amendment of these Operational Bylaws to the Members for vote (either by not scheduling a vote on a proposed amendment or by voting to reject the proposed amendment), the Board of Trustees shall nevertheless cause a Member vote to occur on the proposed amendment at the next meeting of Members if either one (1) Member Class unanimously supports the proposed amendment or two (2) Member Classes vote, each by a margin of at least three-fourths (3/4^{ths}) of the total voting power held by the Member Class, in favor of submitting the proposed amendment to the Members for vote. The proposed amendment shall be approved by the Members if four (4) out of five (5) Member Classes vote, each by a margin of at least two-thirds (2/3) of the total voting power held by the Member Class, in favor of the amendment. The vote by each Member Class shall be tabulated separately. In addition, with respect to Member Classes that include Member Sub-Classes, the proportion of voting power cast in each Member Sub-Class shall be tabulated separately, then aggregated with tabulation of other Member Sub-Class votes within the Member Class to determine proportion of voting power within Member Class as a whole that has voted in favor of or against the proposal or resolution. An example of how Member Class and Member Sub-Class voting power is to be calculated is set forth in Exhibit A. Notwithstanding Section 5.10.2, the proposed vote must be included on the proposed agenda in order for a vote to be taken on a proposed amendment.

ARTICLE XIII

ALTERNATIVE DISPUTE RESOLUTION

13.1 Alternative Dispute Resolution. Disagreements arising under these Operational Bylaws shall be resolved in accordance with the alternative dispute resolution provisions described in this Article XIII; provided, however, that disagreements related to membership or Member Class shall be resolved exclusively pursuant to the provisions set forth in Article V; provided, further, that these alternative dispute resolution provision shall not be used for disagreements between Members except as set forth in Article V.

13.2 Scope of Bylaws Dispute Resolution Provisions.

13.2.1 General Applicability. Except as limited by law, the Bylaws Dispute Resolution Provisions shall apply to all disputes arising under these Bylaws with respect to whether there is a material, unremedied failure by a Person subject to the Corporation’s Bylaws to comply with the Corporation’s Bylaws.

13.2.2 Persons Eligible to Initiate or Participate in Dispute Resolution Process. Only Persons subject to the Corporation’s Bylaws shall be eligible to initiate or participate as Disputing Parties in any dispute resolution process under these Bylaws Dispute Resolution Provisions. For purposes of these Dispute Resolution Provisions, the Persons subject to the Corporation’s Bylaws are:

- (i) the Corporation;

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

- (ii) the Board of Trustees;
- (iii) the officers, employees and agents of the Corporation;
- (iv) Members of the Corporation; and
- (v) any committee, subcommittee, or other body composed of or elected by the Trustees, offices, or Members (or a combination of the foregoing).

13.3 Procedures To Initiate Dispute Resolution Process.

13.3.1 Good Faith Written Request. No Person may serve a demand for arbitration under Section 13.3.2 below without first having made a good faith, written request to all other Persons named as respondent Disputing Parties in the demand for arbitration that the matter giving rise to the dispute be remedied and allowing a reasonable opportunity for the respondent Disputing Party or Parties to implement a remedy.

13.3.2 Demand for Arbitration. Provided that there has not been an adequate remedy in response to a good faith written request delivered in compliance with Section 13.3.1 above, a Person eligible to become a Disputing Party may initiate a dispute resolution process under these Bylaws Dispute Resolution Provisions by serving its demand for arbitration on the respondent Disputing Party or Parties and the Arbitration Committee, which shall publish (or cause to be published) notice of the demand on the Grid West Website and by any other method the Arbitration Committee specifies.

13.3.3 Statement(s) of Claim(s). Absent an agreement among all Disputing Parties to proceed otherwise, the Disputing Party that served a demand for arbitration under Section 13.3.2 above shall, within fifteen (15) days after serving the demand, deliver a written statement of claim(s) to each other Disputing Party and the Arbitration Committee. The Disputing Parties may agree to delay the commencement of arbitration to attempt to resolve their dispute through good-faith negotiations or mediation or for any other reason. The statement of claim(s) shall set forth in reasonable detail (a) each claim, (b) the relief sought, (c) a summary of the grounds for such relief and the basis for each claim, and (d) the identity of all Disputing Parties. Each other (respondent) Disputing Party shall deliver its response (including identification of any additional Person(s) necessary to resolution of the dispute) within fifteen (15) days following receipt of the initial statement of claim or such longer period as the Disputing Parties agree or the Arbitration Committee may permit following an application by a respondent Disputing Party. If any respondent Disputing Party wishes to submit a counterclaim with its response to the initial statement of claim, the respondent Disputing Party shall include the counterclaim in its response. Where a respondent Disputing Party includes a counterclaim the initiating Disputing Party may respond to that counterclaim within fifteen (15) days following receipt of the counterclaim. Any Disputing Party named in a statement of claim that

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

does not respond to the claim within the period specified in this Section 13.3.3 shall be deemed to have denied each claim against it. The Corporation shall publish the statements of claim, the responses and any counterclaims on the Grid West Website and by any other method the Arbitration Committee specifies.

13.3.4 Intervention Rights. The terms of these Bylaws Dispute Resolution Provisions applicable to intervention are set forth in Section 13.8.

13.4 Selection of Arbitrator.

13.4.1 Selection of a Single Arbitrator. Within ten (10) days following submission of respondent Disputing Parties’ responses and counterclaims, the Disputing Parties shall select an arbitrator familiar with and knowledgeable about the law applicable to Corporations in the Corporation’s state of incorporation and the nature of the Corporation’s business and Bylaws. If the Disputing Parties cannot agree upon an arbitrator, or do not agree on a means of selecting an arbitrator that differs from that set forth in this Section 13.4, the Disputing Parties shall take turns striking names from a list of ten (10) qualified individuals supplied by the Arbitration Committee from its standing list. The Disputing Parties shall chose lots to determine the order for striking names. The last remaining name not stricken shall be designated as the arbitrator. If that individual is unable or unwilling to serve (or, if a Disputing Party objects to the arbitrator serving on the basis of a disclosure under Section 13.5 within five (5) days of that disclosure), the individual last stricken from the list shall be designated and the process repeated until an individual is selected who is able and willing to serve. If a Disputing Party issuing or named in a statement of claim served under Section 13.3 does not participate in the selection of an arbitrator within the time period specified under this Section 13.4.1, the remaining Disputing Parties have the right to select the arbitrator without the non-participating Disputing Party.

13.4.2 Option to Obtain Three Arbitrator Panel. As an alternative to selecting one arbitrator under Section 13.4.1, any Disputing Party may elect to constitute a three (3) member arbitration panel, and the other Disputing Party or Parties shall cooperate in the selection of the panel, subject to the following conditions:

(i) Any Disputing Party or Parties so electing shall be responsible for five-sixths (5/6) of the costs of the arbitration (exclusive of each Disputing Party’s individual costs and attorneys’ fees), regardless of the outcome of the arbitration, unless the Disputing Parties agree to an alternate method of allocating costs. The remaining one-sixth (1/6) of the costs shall be allocated to the Disputing Party (or allocated in equal parts among the Disputing Parties) that did not participate in the election to use a three (3) arbitrator panel.

(ii) Each arbitrator shall be subject to the requirements of Section 13.5.

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

(iii) Unless otherwise agreed by the Disputing Parties, the three (3) arbitrators shall be selected in the following manner: (a) the Arbitration Committee shall provide to the Disputing Parties a list of fifteen (15) qualified individuals from its standing list; (b) the Disputing Parties shall take turns striking names from the list, (c) the Disputing Parties chose lots to determine the order for striking names; and (d) the three (3) remaining names not stricken shall constitute the arbitration panel.

(iv) The arbitration panel shall decide all matters by majority vote.

(v) All other procedures, rights, and obligations set out in these Bylaws Dispute Resolution Provisions shall apply to the arbitration, and all references to the “arbitrator” also shall be deemed a reference to the three (3) member arbitration panel so chosen.

13.4.3 Arbitrator’s Jurisdiction. The arbitrator shall have the power to determine whether a dispute is subject to arbitration pursuant to these Bylaws Dispute Resolution Provisions.

13.4.4 Communication with Candidates to Serve as Arbitrator. No Disputing Party and no one acting on behalf of any Disputing Party may communicate on any matter relating to the dispute, including selection of an arbitrator, with any potential arbitrator identified on the list provided by the Arbitration Committee, except that staff of the Corporation, under the direction of the Arbitration Committee, may communicate with potential arbitrators concerning arrangements for an arbitration.

13.5 Disclosures Required of Arbitrators.

13.5.1 Initial Disclosure Obligations. The selected arbitrator shall be required to disclose to the Disputing Parties any direct financial or personal interest in the outcome of the arbitration. The arbitrator shall be required to disclose to the Disputing Parties any additional interests, relationships, facts or circumstances including:

(i) any existing or past financial, business, or professional interest or employment;

(ii) any relationship the arbitrator has with any Disputing Party or its counsel, or with any individual whom the arbitrator has been told will be a witness; and

(iii) any family or personal relationship if they are likely to affect the arbitrator’s impartiality or might reasonably create an appearance of bias. All arbitrators shall make a reasonable effort to inform themselves of any interests or relationships described above.

***RRG “Good Enough” Version – posted 6 pm., July 7, 2004
(Incorporates RRG Recommendations & Technical and Editorial Changes)***

13.5.2 Ongoing Disclosure Obligations. The obligation to make disclosure in accordance with Section 13.5 is a continuing duty. If, after initiation of an arbitration under the Bylaws Dispute Resolution Provisions, the arbitrator must make a disclosure in accordance with Section 13.5, the arbitrator shall, at the time of disclosure, determine whether the information disclosed is grounds to disqualify the arbitrator from continuing with the arbitration. If the arbitrator determines that he or she is disqualified from continuing with the arbitration, the Parties shall select a new arbitrator in accordance with Section 13.4.

13.6 Protection from Liability. Neither the Arbitration Committee nor any arbitrator shall be liable to any party for any act or omission in connection with any arbitration conducted under the Bylaws Dispute Resolution Provisions, other than acts or omissions that are criminal or constitute intentional wrongdoing for the purpose of subverting the arbitration process.

13.7 Arbitration Procedures.

13.7.1 Timetable. Promptly after the appointment of the arbitrator, the arbitrator shall set a date for the issuance of the arbitration decision, which shall be no later than six (6) months (or such later date as the Disputing Parties and the arbitrator may agree) from the date of the appointment of the arbitrator, with other dates, including the dates for an evidentiary hearing or other final submissions of evidence, set in light of this date. The Disputing Parties may, by agreement, modify any dates set by the arbitrator (other than the maximum time allowed for issuance of the arbitration decision). The arbitrator shall not change the date for the evidentiary hearing or other final submissions of evidence absent extraordinary circumstances. The arbitrator shall have the power to impose sanctions, including imposition of costs and dismissal of the proceeding, for dilatory tactics or undue delay in completing the arbitration proceedings.

13.7.2 Procedural Rules. The Arbitration Committee shall adopt arbitration procedural rules consistent with the Bylaws Dispute Resolution Provisions (including the provisions set forth in Sections 13.7.2.(i) through 13.7.2.(v) below). The Arbitration Committee may modify the arbitration procedural rules from time to time. In any case where there is a conflict between the arbitration procedural rules and the Bylaws Dispute Resolution Provisions, the Bylaws Dispute Resolution Provisions shall govern. The arbitrator shall conduct the arbitration in accordance with the Bylaws Dispute Resolution Provisions and the arbitration procedural rules, except as provided in Section 13.7.4.

(i) Discovery Procedures. The arbitration procedural rules shall include adequate provision for the discovery of relevant facts, including the taking of testimony under oath, production of documents and other things, the presentation of evidence, the taking of samples, conducting of tests, and inspection of land and tangible items. The nature and extent of such discovery shall take into account (a) the complexity of the dispute, (b) the extent to which facts are disputed, (c) the extent to which the credibility of witnesses is relevant to a resolution, and (d) the need to provide fair access to information by all Disputing Parties where information has been obtained under

statutory right by one or more Disputing Parties from another Disputing Party or Parties outside the discovery process. The forms and methods for taking such discovery shall be as described in the Federal Rules of Civil Procedure, except as modified by agreement of the Disputing Parties.

(ii) Confidentiality. The arbitration procedural rules shall provide a means for protecting confidential information disclosed in the course of an arbitration under the Bylaws Dispute Resolution Provisions. Any information determined to be confidential in the course of an arbitration shall not be included in any published or publicly available summary or copy of the arbitration award.

(iii) Summary Disposition. The arbitration procedural rules shall provide a means for summary disposition of an arbitration proceeding under the Bylaws Dispute Resolution Provisions. The arbitrator may grant summary disposition of the proceeding, in whole or in part, if there is no genuine issue of fact material to the decision. Any uncontroverted fact established through summary disposition shall be deemed established for the remainder of the proceeding. Any grant of summary disposition under this Section 13.7.2.(iii) is subject to appeal pursuant to Section 13.10 after the final award in the proceeding has been issued.

(iv) Evidentiary Hearing. The arbitration procedural rules shall provide for an evidentiary hearing with respect to matters not resolved through summary disposition under Section 13.7.2.(iii) above, unless all Disputing Parties consent to the resolution of the matter on the basis of a written record. Hearing rules shall include provision for the cross-examination of witnesses.

(v) Evidence. The arbitration procedural rules shall include provisions addressing submission and admissibility of evidence. The arbitrator shall compile and certify a complete evidentiary record of the arbitration, which, upon completion, shall be available to any Disputing Party at that Disputing Party’s request.

13.7.3 Communication with Arbitrator. Except by agreement of or in the presence of all Disputing Parties, no Disputing Party and no one acting on behalf of any Disputing Party may communicate with the arbitrator concerning the arbitration outside of scheduled proceedings. Unless the Disputing Parties agree otherwise or the arbitrator so directs, any written or electronic communication from any Disputing Party to the arbitrator shall also be sent to all other Disputing Parties and to the Arbitration Committee.

13.7.4 Modification of Arbitration Procedures. The Disputing Parties may, by agreement of all the Disputing Parties, modify the application of the arbitration procedural rules for purposes of their specific dispute. Except where the terms of the Bylaws Dispute Resolution Provisions specifically provide otherwise, the Disputing Parties may not agree to modify any of the provisions set forth in the Bylaws Dispute Resolution Provisions.

13.8 Intervention Rules.

13.8.1 Persons Eligible To Intervene. Only Persons identified in Section 13.2.2 of these Bylaws Dispute Resolution Provisions are eligible to intervene in an arbitration governed by these Bylaws Dispute Resolution Provisions; provided, however, that the Person (a) was not named as a Disputing Party in the statement of claim initiating the arbitration as provided in Section 13.3.3 or in a responding counterclaim, and (b) complies with the other provisions in these Bylaws Dispute Resolution Provisions concerning intervention and the obligations of Disputing Parties.

13.8.2 Timing for Intervention Application. A Person eligible to intervene in an arbitration under these Bylaws Dispute Resolution Provisions may apply to intervene in the arbitration as a Disputing Party within thirty (30) days from publication of the statement of claim initiating the arbitration. The arbitrator may, at his or her discretion, permit late intervention for good cause shown.

13.8.3 Required Showings for Intervention. The arbitrator shall permit a Person to intervene in an arbitration under these Bylaws Dispute Resolution Provisions if the Person applying to intervene (applicant) shows, to the arbitrator’s reasonable satisfaction, that:

- (i) the applicant is eligible to intervene under Section 13.8.1 of these Bylaws Dispute Resolution Provisions;
- (ii) the applicant’s rights or interests will be substantially affected by outcome of arbitration;
- (iii) no other Person that is currently a Disputing Party to the arbitrations is likely to adequately represent the applicant’s interests.

13.8.4 Application and Order. Any applicant to intervene in an arbitration under these Bylaws Dispute Resolution Provisions shall serve a copy of its application on the arbitrator, the Disputing Parties, and the Arbitration Committee. The application must demonstrate that the applicant satisfies the criteria set forth in Section 13.8.3 above. Any Disputing Party that objects to the intervention request must file a written objection with the arbitrator, if an arbitrator has been selected, and deliver the objection upon the applicant, the other Disputing Parties, and the Arbitration Committee, within ten (10) days of service of the application. Promptly upon selection of the arbitrator pursuant to Section 13.4, the arbitrator will issue an order determining whether, based upon the criteria established by Section 13.8.3 above, any applicant that has timely filed an application may intervene in the arbitration.

13.8.5 Effect of Arbitrator Granting Intervention. Any applicant whose request to intervene in an arbitration under these Bylaws Dispute Resolution Provisions is granted by the

arbitrator becomes a Disputing Party with full rights and responsibilities in relation to all other Disputing Parties; provided, however:

- (i) the applicant must (a) accept the arbitrator(s) selected in accordance with Section 13.4 of these Bylaws Dispute Resolution Provisions, (b) accept the record as established at the time the intervention is granted, including any procedural or substantive rulings or orders, (c) proceed in accordance with any established schedule, and (d) pay a share of the costs of arbitration as determined by the arbitrator taking into account, among other things, the stage of the arbitration when intervention is sought;
- (ii) the arbitrator may further condition Disputing Party status as necessary to assure that the rights of other Disputing Parties are not unduly prejudiced and that the arbitration is not unduly delayed; and
- (iii) any late-intervening Person must not cause a conflict of interest for the arbitrator objectionable to any existing Disputing Party.

13.9 Award, Remedies and Enforcement.

13.9.1 Award. The arbitrator shall issue written reasons for the award, including findings of fact and conclusions of law. The arbitration award shall be based on (i) the evidence in the record, (ii) applicable law as then in effect in the Corporation’s state of incorporation, (iii) the terms of the Articles of Incorporation and Operational Bylaws, and (iv) consideration of relevant decisions in previous arbitration proceedings. The arbitrator may, but need not, treat previous decisions under this Section 13.9.1 as determinative. The arbitrator’s award shall be published and maintained, in searchable form, on the Grid West Website and by any other method the Arbitration Committee specifies. The Corporation’s Office of General Counsel shall maintain a copy of the complete award and written explanation.

13.9.2 Remedies.

- (i) Arbitrator’s Discretion. Subject to the requirements of Section 13.9.1 above, the arbitrator shall have discretion to require no change in actions, or grant an injunction or mandamus.
- (ii) Costs. Except as otherwise provided in Sections 13.4.2, 13.7.1, and 13.8.5, the costs of the time, expenses, and other charges of the arbitrator shall be borne by the Disputing Parties, with each Disputing Party on an arbitrated issue bearing its pro-rata share of such costs, and each Disputing Party bearing its own costs and fees. If the arbitrator determines that a demand for arbitration or response to a demand for arbitration was made in bad faith, the arbitrator shall have discretion to award the costs of the time, expenses, and other charges of the arbitrator to the prevailing Disputing Party.

(iii) Compliance. Unless the arbitrator’s decision is appealed under Section 13.10, the Disputing Parties shall, upon receipt of the decision, immediately take whatever action is required to comply with the award to the extent the award does not require action by a governmental authority not a party to the arbitration. An award that is not appealed shall be deemed to have the same force and effect as an order entered by a court of competent jurisdiction.

(iv) Enforcement. Following the expiration of the time for appeal of an award pursuant to Section 13.10.3, any Disputing Party may apply to a court of competent jurisdiction in the Corporation’s state of incorporation for entry and enforcement of judgment based on the award. Parties to arbitration under these Bylaws Dispute Resolution Provisions shall be deemed to have consented that judgment upon the arbitration award may be entered in a court having jurisdiction within the Corporation’s state of incorporation.

13.10 Appeal of Award.

13.10.1 Rehearing; Clarification; Appeal.

(i) A Party may apply to a court of competent jurisdiction in the Corporation’s state of incorporation to hear an appeal of an arbitration award:

(a) Where the arbitrator’s decision is contrary to applicable law;

(b) Where the arbitrator(s) were guilty of misconduct in refusing to postpone the hearing, upon sufficient cause shown, or in refusing to hear evidence pertinent and material to the controversy; or for any other misbehavior by which the rights of any party have been prejudiced;

(c) Where the arbitrator exceeded the authority conferred by these Bylaws Dispute Resolution Provisions or as otherwise established by agreement of all the Disputing Parties;

(d) Where the award was procured by corruption, fraud, or undue means;

(e) Where there was evident partiality or corruption in the arbitrator(s);

(f) Where there was an evident material miscalculation of figures (e.g., quorum and voting) or an evident material mistake in the description of any person, thing, or property referred to in the award; and

(g) Where the award is imperfect in matter of form not affecting the merits of the controversy.

13.10.2 Appellate Record. The arbitration process set forth in the Bylaws Dispute Resolution Provisions contemplates that the court of competent jurisdiction should afford substantial deference to the factual findings of the arbitrator. No Disputing Party may seek to expand the record before the court of competent jurisdiction beyond that assembled by the arbitrator, except (a) by making reference to legal authority that did not exist at the time of the arbitrator’s decision, or (b) if the Disputing Party contends the decision was based upon or affected by fraud, collusion, corruption, misconduct, or misrepresentation.

13.10.3 Procedures for Appeals. Appeals shall, unless otherwise ordered by the court of competent jurisdiction in the Corporation’s state of incorporation, conform to the procedural limitations set forth in this Section 13.10.3.

(i) Notice. If a Disputing Party desires to appeal an award, it shall provide notice of appeal to the Corporation’s Board of Trustees, all other Disputing Parties, and the arbitrator within fourteen (14) days following the date of the award. The appealing Disputing Party must likewise provide notice to the Arbitration Committee, which shall publish notice of the appeal on the Grid West Website and by other method the Arbitration Committee specifies. Within ten (10) days of the filing of the notice of appeal, the appealing Disputing Party must file an appropriate application, petition or motion with a court of competent jurisdiction in the Corporation’s state of incorporation. The filing shall state that the subject matter has been the subject of an arbitration under the Bylaws Dispute Resolution Provisions.

(ii) Evidentiary Record. Within thirty (30) days of filing the notice of appeal (or such period as the court of competent jurisdiction in the Corporation’s state of incorporation may specify) the appellant shall file the complete evidentiary record of the arbitration and a copy of the award with the court of competent jurisdiction. The appellant shall serve copies of a description of all materials included in the certified evidentiary record.

(iii) Stay Pending Appeal. Implementation of the award shall be deemed stayed pending an appeal unless and until, at the request of a Disputing Party, the court of competent jurisdiction in the Corporation’s state of incorporation to which an appeal has been filed issues an order dissolving, shortening, or extending the stay.
