ORDER GRANTING INTERVENTIONS

On October 15, 2008, Avista Corporation (“Avista”), Franklin County PUD, Idaho Power Company (“Idaho Power”), NorthWestern Energy, PacifiCorp, Portland General Electric Company (“PGE”), Puget Sound Energy, Inc., (“Puget Sound Energy”), and Snohomish County PUD (collectively “Filing Utilities”) filed proposed Appendix 1s with the Bonneville Power Administration (“BPA”) in accordance with the 2008 Average System Cost Methodology (“2008 ASCM”).¹ Pursuant to Section II.E.1 of BPA’s ASC review procedures, the proposed Appendix 1s were posted on BPA’s website on October 17, 2008. Petitions to intervene in the Filing Utilities’ ASC review processes were due on October 21, 2008.²

Timely petitions to intervene were filed by Avista, Idaho Power, the Idaho Public Utilities Commission (“Idaho PUC”), Snohomish County PUD, PacifiCorp, PGE, Public Generating Pool, Public Power Council, and Puget Sound Energy. Intervention status was requested as follows:

Filing Utility	Docket No.	Interveners
Avista	ASC-10-AV-01	Idaho Power Idaho PUC PacifiCorp PGE Public Generating Pool Public Power Council Puget Sound Energy Snohomish County PUD

¹ The Federal Energy Regulatory Commission conditionally granted interim approval of the 2008 ASCM with an effective date of October 1, 2008. *See* 73 Fed. Reg. 60,105 (Oct. 10, 2008).

² *See* FY 10-11 ASC Review Period Schedule, *available at* www.bpa.gov/corporate/finance/ascm/10-11-filings.cfm.
