Re: Errata to Puget Sound Energy, Inc.'s Filing of FY 2009 ASC Appendix 1 and Related Materials

Dear Ms. Manary:

On September 30, 2008, Puget Sound Energy, Inc. ("PSE") submitted to BPA for filing its initial Average System Cost ("ASC") Appendix 1 for the initial Exchange Period, FY 2009, pursuant to the Residential Exchange Program ("REP") under section 5(c) of the Pacific Northwest Electric Power Planning and Conservation Act ("Northwest Power Act").

PSE is filing errata changes to its September 30, 2009 initial ASC Appendix 1 filing for FY 2009 as shown on the attached document titled "Puget Sound Energy Errata Changes", which specifies the errata changes that are being made to the filing. (Also attached for your convenience is PSE's original transmittal letter dated September 30, 2008 for its initial ASC Appendix 1 filing for FY 2009.)

The following attached files labeled Attachment B1 and Attachment B2 replace Attachment B1 and Attachment B2, respectively, which were originally provided with PSE's filing on September 30, 2008: (i) attached as Attachment B1 is the FY 2009 ASC Forecast Model that includes confidential new resource data on the New Resource tab in the ASC Forecast Model and (ii) attached as Attachment B2 is the FY 2009 ASC Forecast Model that includes only non-confidential data. Also included herewith is a related replacement workpaper file, "RATEBASE DIRECT 2006 filed.xls".

PSE submits Attachment B1 to this letter pursuant to (i) exemption 4 of the Freedom of Information Act, 5 U.S.C. § 552(b)(4), relating to privileged or confidential commercial or financial information and (ii) BPA's customer letter and its accompanying enclosure dated March 20, 2008, and titled, "Guidelines for Submitting Confidential and Proprietary Information in Bonneville Power Administration Average System Cost Filing

Reviews”, which relates to privileged or confidential commercial information. For purposes of convenience, PSE submits herewith two versions of Attachment B – a confidential version (Attachment B1) that includes privileged or confidential commercial or financial information and a public version (Attachment B2) with the privileged or confidential commercial or financial information redacted.

By return e-mail, please confirm BPA’s receipt of these errata changes to PSE’s FY 2009 ASC Appendix 1 filing.

Sincerely,
