2. I need more information about:

3. I have these other comments:

As property owner in Big Horn Terrace subdivision strongly urge BPA to acquire new right-of-way to bypass potential affected landowners in the Big Horn Terrace subdivision. Also would favor rebuilding the line in-kind as a single circuit 115-kV wood pole H-frame line.

Please put me on your project mailing list. (You are already on the mailing list, if you have received mailed notices.)
