### Lyle Falls Fish Passage Project "I'd like to tell you . . ."

1. Please consider:

Washington State Parks and Recreation (WSPR) would like to work with BPA and the Yakama Nation to review legal access across the Klickitat Trail for the purposes of the environmental assessment work, as well as the actual project.

WSPR desires to review, with BPA, efforts it will take to assure that access to the Klickitat Trail, by inappropriate uses, does not occur as a result of work by BPA and the Yakama Nation.

Jim Harris, Eastern Region Manager
