

Proposed Shepherd's Flat Wind Interconnection Project

"I'd like to tell you . . ."

1. Please have your environmental studies look at:

Projects in the proposed area should include pre and post weed inventories as well as weed management Plans dealing with noxious weeds in the area. Noxious weeds of particular concern are Rush Skeletonweed, Yellow starthistle and all knapweeds. County weed lists should be consulted for survey purposes.

2. I need more information about:

3. I have these other comments:

Please put me on your project mailing list. (You are already on the mailing list if you have received mailed notices.)
