

People interested in BPA's Proposed Summer Falls and Main Canal Hydropower Interconnection Transmission Line and Pinto Ridge Substation project

"I'd like to tell you . . . "

1. Please have your environmental studies look at:

Blank lined area for environmental studies.

2. I need more information about:

Blank lined area for more information needs.

3. I have these other comments:

Handwritten comment: We would rather you choose the proposed Alternative 2 Transmission Lines. Keep the electrical currents away from the town. Keep the towers out of sight.

Please put me on your project mailing list. (You are already on the mailing list, if you have received mailed notices.)
