Accordingly, I request that, pursuant to 5 U.S.C. §552 (a) (4) (A), you waive all fees in the public interest because the furnishing of the information sought by this request is likely to contribute significantly to public understanding of the operations or activities of government and is not primarily in the commercial interest of the requester. FOIA REQUEST

Dear FOI Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. s. 552, I request access to and copies of any and all documents and records pertaining to the Department of Energy and Enron Corporation for the years 1992-2001. Specifically any records pertaining to international energy collaboration, the Kyoto Protocol, the Export/Import bank and any correspondence with Enron's Kenneth Lay or John Palmisano.

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$75.00. However, please notify me prior to your incurring any expenses in excess of that amount.

As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Through this request, I am gathering information on a series of articles on Enron's relationship with the Government in the 1990's, that is of current interest to the public because huge economic and political implications reside on Enron's business practices. This information is being sought on behalf of *CNSNews.com* or *Cybercast News Service* for dissemination to the general public.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.
