Re: Freedom of Information Act Request
Draft Environmental Impact Statement (DEIS)
Prepared by United States Department of Energy, Bonneville Power Administration
Schultz-Hanford Area Transmission Line Project DOE/EIS-0325

Dear Sir or Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, we request copies of any and all documents in the care, custody or control of the Bonneville Power Administration (“BPA”) as follows:

With respect to the Schultz-Hanford Area Transmission Line Project DOE/EIS-0325, please provide a copy of the easement or title document(s) relating to any agreement to proceed over the Yakama allotment land. We are particularly interested in knowing the status of the plans of the BPA as to whether the proposed power line will go in a straight line over the Yakama allotment land or detour over the Kellogg Family Ranch.

We represent Gaylord Kellogg, the member/manager of Cooke Colman LLC, which owns the Kellogg Family Ranch. Our client would appreciate knowing as soon as possible if the proposed alternative power line detour over the Kellogg Family Ranch will no longer be needed so future plans for the property can be made without continued uncertainty.

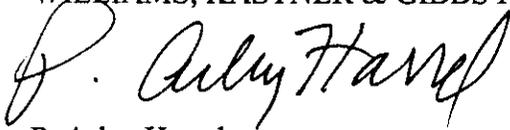

Please forward the above requested documents to me at the above listed address. We assure payment of reasonable costs as required by FOIA. Please call my legal assistant, Nancy Lygren, at 1-206-628-6650, with an estimate if any charges whatsoever from the BPA will exceed \$20, to include any claimed copy, search or other costs. Otherwise please make the copies and send them to me.
