RE: FOIA #03-032

Dear Mr. Sanger:

This letter responds to your Freedom of Information Act (FOIA) request dated August 4, 2003 and designated as FOIA #03-032.

Specifically, you asked for a copy of the agreement between Bonneville Power Administration ("BPA") and PacifiCorp for BPA to return approximately 104,800 Mwh to PacifiCorp during heavy load hours this summer.

Your request, as written, did not accurately characterize any agreement between BPA and PacifiCorp because there was no agreement to "return" energy. To clarify your request, I contacted you by phone on August 20, 2003 and you refined your request to include all contracts between BPA and PacifiCorp pertaining to the delivery of energy to PacifiCorp, and which are related to the settlement described in the July 21, 2003 article published in Clearing Up, titled "Ordered to Arbitrate, BPA Settles over Return for Disabled Meter."

Enclosed in their entirety are two agreements; BPA Contract No. 03PB-26118 and BPA Contract No. 03PB-11365.

Sincerely,

Mark E. Miller
