12. TITLE/BRIEF DESCRIPTION OF WORK TO BE PERFORMED UNDER THIS AGREEMENT				

Scope of Work:

This agreement between Goldendale Aluminum Company (GAC) and the Bonneville Power Administration (BPA) provides for the following work to be performed by GAC at BPA's expense:

Please reference Rob MacDonald's letter to Sally Long for detailed estimates and description of work.

- GAC will move the existing road, which runs to the north of the existing 230 kV yard at Harvalum Substation, to allow for the expansion of the existing 230 kV yard 150 feet to the north.
- GAC will move or arrange to have moved the existing telephone circuit, which is presently located to the north of the Harvalum control house, to allow for the new road to be built in Item 1 above.
- Total estimated cost of the project is \$156,700, including permits, fees, engineering work and taxes.

Financial Terms:

Within a reasonable time after completion of work, GAC shall submit an invoice to BPA for the actual Project cost. The invoice should be sent to the address listed in Block 17 below.

15. AMOUNT TO BE PAID BY BPA <b>\$156,700 (estimated)</b>	18. AMOUNT TO BE PAID TO BPA

In reply refer to: TOC/DITT2

Mr. Gerald F. Miller  
Vice President, Energy and Government Affairs  
Goldendale Aluminum Company  
1111 Main Street, Suite 710  
Vancouver, WA 98660

Dear Mr. Miller:

Enclosed are two originals of Agreement No. 01TX10505 between Goldendale Aluminum Company (GAC) and the Bonneville Power Administration (BPA) for roadway modifications near Harvalum Substation, which is being done in support of the expansion of the Harvalum 230 kV yard.

If you approve, please sign both originals in Block 20, returning one to the address listed in Block 17. The remaining original is for your records.

If you have any questions concerning this project, please contact Gordon Markley, Customer Service Engineer, at (360) 418-8693.

Sincerely,

A handwritten signature in cursive script that reads "Edward A. Peterson".

Edward A. Peterson  
Manager, Customer Service Planning and Engineering
