Ms. Kathleen Profitt
Davison Van Cleve, PC
1000 SW Broadway, Suite 2460
Portland, OR 97205

Dear Ms. Profitt:

I have been designated by the Freedom of Information Act (FOIA) Officer as the Authorizing Official responsible for responding to your FOIA request dated October 14, 2002, and logged in as request #s 03-002, 03-003, and 03-004.

You requested copies of all transmission contracts on or after January 1, 1995, between the Bonneville Power Administration (Bonneville) and Longview, Kaiser, Northwest, Goldendale, and Golden Northwest Aluminum companies.

Enclosed are copies of all transmission documents requested. In reviewing the material you have requested, we have found that two letter agreements associated with Longview Aluminum Agreement No. 95MS-94865 are not transmission agreements and thus not responsive to your request. In addition to those Letter Agreements, the same contract has several exhibits that have been redacted from the agreement because the exhibits are parts of a power sales contract and not responsive to your request for Transmission Agreements.

Bonneville will send you an itemized statement of charges for this response in a separate letter.

If you are dissatisfied with this determination, you may make an appeal within thirty (30) days of the receipt of this letter to the Director, Office of Hearings and Appeals, Department of Energy, 1000 Independence Ave., S.W., Washington, D.C. 20585. Both the envelope and the letter must be clearly marked "Freedom of Information Act Appeal." See 10 C.F.R. § 1004.8.

Sincerely,

A handwritten signature in black ink, appearing to read "M. S. McFarland".
