1162 Court Street, NE

Dear Mr. Wallace:

This letter is in response to your Freedom of Information Act request dated October 22, 2002, and logged in as request # 03-007. In your request you specifically asked for copies of nine transmission contracts and amendments between the Bonneville Power Administration (BPA) and PacifiCorp and between BPA and Portland General Electric (PGE). In addition you requested a copy of the Operation and Maintenance Agreement between PGE and the Bureau of Reclamation.

It is BPA policy not to charge government agencies for labor and materials associated with Freedom of Information Act requests. Enclosed are copies of all transmission documents requested.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike McFarland".
