I received the packet with your letter of acknowledgement to Anteon Corporation and will carefully review, thank you. My apologies, I probably should have cc'd you on my request for clarification (below) yesterday. The document was apparently received and opened according to the system notifications, but I have not yet received a response. If Anteon has not acknowledged receipt of the message by tomorrow morning I'll give Debra West a call to confirm their receipt.

I have been in touch with Carol Jacobson and will work with her to determine releasable evaluation information.

Many thanks

I received your request for a debrief and Freedom of Information Act (FOIA) request. The award is expected to be finalized by next week and I will contact you then schedule a debrief.

BPA does not customarily associate "audits" with the procurement evaluation process, therefore, we request clarification concerning what information Anteon seeks.

Thank you ,
