Dear Ms. Eissler:

Pursuant to the Freedom of Information Act, please provide copies of responses provided to Seattle City Light requests numbers 1, 2, 3, 13, 15 and 16 as discussed in the letter from Gene Tollefson to Gary Zarker on July 23, 2001. These responses were provided to Seattle City Light as non FOIA responses to a Seattle City Light June 8, 2001 letter to Mark Maher, Senior Vice President of the Bonneville Power Administration (BPA), requesting information regarding the May 22 curtailment of Boundary Generating Station due to transfer limits on the West of Hatwai Cutplane.

Please send the requested documents to the address listed above. I am willing to pay search and copy charges up to \$200. Please contact me for further authorization if these charges will exceed \$200.

If you have any questions about this request, please call me at 916-609-7769. Thank you for your assistance.

Sincerely,

J. Richard Lauckhart
Director, WECC Power Market Analysis
