Dear Mr. Lauckhart:

Thank you for the letter of February 25, 2003 requesting copies of responses provided to Seattle City Light request numbers 1,2,3,13,15 and 16 as discussed in a letter from Gene Tollefson, former BPA FOIA Officer, to Gary Zarker of Seattle City Light on July 23, 2001. The item numbers you listed reference items that were responses provided to Seattle City Light as non FOIA responses to a letter they sent to Mark Maher, SVP of Bonneville Power Administration, requesting information about the May 22, 2001 curtailment of Boundary Generation Station due to transfer limits on the West of Hatwai Cutplane. Your request was received by our office on February 26, 2003 and has been logged in as #03-020.

You have agreed to pay for costs up to \$200 and asked that if costs for your request exceed \$200, that we call you before proceeding.

Mr. Mark Maher, SVP, Transmission Business Line, has been designated as Authorizing Official for your request. Mr. Maher has 20 working days, until March 26, 2003, to provide a response. Should you have any questions he may be reached at Mail Stop T-DITT2 or by calling 360-418-8005.

Sincerely,

A handwritten signature in cursive script that reads "Annie Eissler".
