RE: FOIA Request #04-040

Dear Ms. Romer Garvey:

This letter responds to your Freedom of Information Act (FOIA) request dated May 3, 2004, designated as FOIA log #04-040. You requested a copy of Bonneville Power Administration's contract with Christenson Electric, under which your brother, Lawrence P. Romer, was working at the time of his death on March 20, 2003. You also requested a copy of the Environment, Safety and Health Handbook used by Christenson Electric to execute the contract.

In response to the first part of your request, enclosed in its entirety is a copy of the subject contract. We have no responsive documents regarding the second part of your request; a copy of the Environment, Safety and Health Handbook used by Christenson Electric.

If you are dissatisfied with this determination, you may make an appeal within thirty (30) days of your receipt of this letter to Director, Office of Hearings and Appeals, Department of Energy, 1000 Independence Avenue, Washington, D.C. 20585. Both the envelope and letter must be clearly marked "Freedom of Information Act Appeal."

Search and review time needed to fulfill your request totaled less than the two hours allotted by Department of Energy FOIA fee guidelines. Therefore, there is no charge for fulfilling your request.

Sincerely,

Annie Eissler
Freedom of Information Act Officer
