RE: FOIA Request #04-005

Dear Mr. Seligman:

I am writing in regard to your Freedom of Information Act request #04-005, in which you requested information about cell phone records for a number of BPA executives. This letter is to inform you that Carrie Reed, the designated Authorizing Official for your request, is unable to respond by the due date of December 16, 2003. She is attempting to retrieve these records from a vendor in order to keep your research costs down and the vendor needs additional time. As permitted by statute, she will be taking a ten working-day extension of time in which to respond to your request. The extension of time is necessary to collect materials in response to your request.

Thank you for your patience. We will provide you with a response no later than January 2, 2004, unless we must re-estimate fees because a manual search becomes necessary. If this is the case, we will contact you by telephone before proceeding.

Sincerely,

A handwritten signature in cursive script that reads "Annie Eissler".

Annie Eissler
Freedom of Information Officer
