LOG # 04-014

Dear Ms. Eissler:

This Freedom of Information Act request is a follow-up to a FOIA I submitted on the Tony Williams and Washington2 Advocates contract with BPA (#04-06).

I would like to receive the following additional information:

1. A copy of BPA's Request for Proposals or competitive solicitations published or disseminated prior to hiring Washington2 Advocates and Tony Williams in 2001.
2. A copy of all communications, whether written or electronic, submitted to BPA by Washington2 Advocates and Tony Williams *prior* to the date of contract signing. This request includes promotional or other materials regarding the firm or Williams' credentials, hourly rates or expertise, proposed budgets or a scope of work, references, and related documents.
3. A copy of all communications, whether written or electronic, between BPA's executive management requesting that the BPA Purchasing Office enter into a consulting contract with Washington2 Advocates and Tony Williams. This request includes all communications from BPA Administrator Steve Wright, the Vice President for National Relations in Washington, D.C., and any other member of BPA executive management relating to any aspect of the Williams and Washington2 Advocates contract *prior* to the date of contract signing.

I am willing to pay copy and search charges. Please let me know if these charges exceed \$50 before proceeding. Thank you for your assistance.

Sincerely,

Dan Seligman
