TO: Mr. Gene Tollefson, BPA FOIA Officer

SUBJECT: Request for Copies of BPA Wind Power Contracts

Under the Freedom of Information Act (FOIA), Northern California Power Agency (NCPA) would like to request copies of several BPA wind resource power contracts.

I have spoken recently with Deb Malin of BPA and understand that a FOIA request is necessary and that confidential and other pricing information contained in the contracts will not be provided.

NCPA is in the process of acquiring wind resources and is interested in reviewing contract terms used by organizations such as BPA. The wind resource contracts that we are requesting copies of are:

Condon Wind Project

Klondike Wind Project

Stateline Wind Project

NCPA will pay any fees associated with this request.

My contact information is: John Berlin

Yours truly,
