Dear Ms. Eissler:

Pursuant to the Freedom of Information Act (5 U.S.C. § 552), I am requesting a copy of the DOE BPA contract with Christenson Electric under which my brother, Lawrence P. Romer, was working at the time of his death on March 20, 2003. The contract is administered by Ms. Julie File, who has previously advised me that she had identified the contract in question such that she will be able to provide you with the specific contract number required. I am also requesting a copy of the Environmental, Safety and Health Handbook used by Christenson Electric to execute the subject contract.

I expect a response within 20 working days, as the law provides.

Thank you advance for your cooperation in ensuring I receive the requested documents within the legal timeframe described above.
