To Whom It May Concern:

Under the Freedom of Information Act, please provide me with a listing of BPA employees who have received a Quality Step Increase (QSI) since October 1, 2001. In each case, please provide the approximate date (month and year) that the QSI was granted. I would appreciate receiving this information at my BPA mailing address of KFW-2. If you are not allowed to provide it to me here at Bonneville, please mail it to the address above, or send it electronically to doncarbonari@comcast.net.

I attempted to obtain the above information informally and was denied, as indicated in the email chain attached. It is only for this reason that I have chosen to request it under the Freedom of Information Act. If you determine that by law you are not required to provide such information, then my request is as follows:

Please provide me with the number of all QSIs granted at BPA listed by month and year since October 1, 2001. In each case, please note the grade level of each employee.

Thank you in advance for your attention to this matter.

Sincerely,

Don Carbonari
