

## Energy efficient appliances and technology could save you money!

**R**ebates are available now to help you improve the energy efficiency of your home and save money on your utility bill.

Call us now to see if you are eligible and what qualifies. [\[Your utility \(123\) 456-7890\]](tel:1234567890)

### Improve energy efficiency

It's good for the environment and it's good for your bank account. Replacing lighting and appliances with more efficient equipment uses energy more efficiently and economically.

Building a new home? Start out right with ENERGY STAR® appliances.

Some of the energy efficient products that you may be eligible for include:

- ✓ Heat pumps
- ✓ Electric water heaters
- ✓ ENERGY STAR compact fluorescent lights
- ✓ ENERGY STAR clothes washers
- ✓ ENERGY STAR dish washers
- ✓ ENERGY STAR refrigerators

Not all equipment qualifies for a rebate, so check with us first.

New Super Good Cents and ENERGY STAR manufactured homes also qualify.

*This program sponsored by the Bonneville Power Administration.*
