

# Bulk Purchases

A Bulk Bulb Purchase option is now available through the Change a Light NW program.

The following are the main points to consider for this program:

1. Order Size:
  - Minimum: 200
  - Maximum: Unlimited
  
2. Bulb Selection (all individually packed):
  - T2 Twist – 2700K
  - Various Wattages
  - Reflectors / Floods (indoor / outdoor applications)
    - R30
    - Par38
    - R40
  - Vanity Globes – 2700 K
  - Various wattages
  - A-Lamps
  - Various Wattages
  
3. Bulb Type Mixes:
  - Mixes of bulb type are allowed as long as minimum quantity of any one type is 200
  
4. Order Timeline:
  - PECI must receive an order with 4 weeks lead time to ensure timely delivery
  
5. Cost Structure:
  - Cost is dependant on purchase size and bulb type selection. Utility will pay the total costs of the bulbs and shipping as well as a \$0.40 per bulb administrative fee
