

**Errata to
2003 Safety-Net CRAC Rebuttal Testimony
SN-03-E-BPA-11 (E4)**

Page 8, lines 8-9 In the phrase “are no limits as to the types of costs” insert “BPA” between “of” and “costs.” The sentence should now read, “In fact, there are no limits to the types of BPA costs that the SN CRAC can recover.”

Page 55, lines 18-20 Replace the sentence “In addition, PBL has had to add eighteen staff for the Slice Product, primarily for scheduling, with costs 100 percent reimbursed by the Slice customers.” with “In addition, BPA has roughly 17-18 staff FTE working on Slice, with a net addition of about 6-7 FTE, primarily in the scheduling areas. Nearly 100 percent of these staffing costs are reimbursed by Slice customers.”
