February 28, 2002

In reply refer to: PSP

Dear Rate Case Parties and Customers:

On March 7, 2002, Bonneville Power Administration (BPA) will hold the first of three rates-related workshops. The purpose of this series of workshops is to develop a Mark-to-Market methodology. This methodology will be used to determine the Load-Based Cost Recovery Adjustment Clause (LB CRAC) for future six month cycles.

As a part of this workshop we will add a second, separate item regarding information on augmentation purchases by BPA.

If you would like to participate by telephone for this meeting, please call Luci Kamletz at (503) 230-7443 or Cynthia Jones at (503) 230-5459 to be connected to the conference bridge.

The workshop will begin at 9:00 a.m. in the Rates Hearing Room, Room 223, located at 911 NE. 11th Avenue, Portland, Oregon.

If needed there will be two additional workshops to be held on March 21 and April 4, beginning at 9:00 a.m. in the Rates Hearing Room.

Sincerely,

/s/ Byron G. Keep
