

**Errata to  
2002 Initial Power Rate Proposal  
2002 Revenue Requirement Testimony  
WP-02-E-BPA-13(E2)**

Page 29: On lines 18-19 replace “the average generation revenues from the prior three years of all applicable rates/loads” with “the total generation revenue for the fiscal year in which the DDC implementation begins, as forecasted in the then most current revenue forecast for the loads subject to the DDC.”
