2003 Safety-Net CRAC Initial Power Rate Proposal
Revenue Recovery Documentation: Volume 1, Chapter 3
SN-03-E-BPA-02(E3)**

Pages 3-2 through 3-6:

Table 3.1: Delete the existing table and replace with the document titled: **SN-03-E-BPA-02(E3-Table 3.1)**. (Some of the titles on the Expense line items on the first replacement table SN-03-E-BPA-02(E1-Table 3.1) have been enhanced; a footnote has been added; and there is now a note at the bottom clarifying that this was not an official GL Annual Report income statement but a rate case look at PBL net revenues. The numbers did NOT change, just some title changes.
