Tribal Energy Education Grant

2027 Rating Sheet

Requesting tribe: _____

Rater's initials: _____

Rating	Score	Scoring Definitions
Superior	**5**	All aspects of the criterion are comprehensively addressed. The application has significant strengths with **no weaknesses** and leaves no doubt regarding the applicant's capability to perform.
Good	**4**	All aspects of the criterion are adequately addressed. The application has more strengths with only minor weaknesses. Scoring within the Good rating depends on the relative degree to which the strengths outweigh the weaknesses. The application demonstrates the applicant's capability to perform.
Satisfactory	**3**	Most aspects of the criterion are adequately addressed. The application has one or more strengths and may have one or more weaknesses. **The number of strengths slightly outweighs the weaknesses**. The application demonstrates a reasonable likelihood of the applicant's capability to perform.
Marginal	**2**	Some aspects of the criterion are **not** adequately addressed. The application may have one or more strengths and has one or more weaknesses. Scoring within the Marginal rating shows the applications' weaknesses outweigh the strengths. The application leaves doubt regarding the applicant's capability to perform.
Unsatisfactory	**1**	Most aspects of the criterion are **not** adequately addressed. The application may have strengths, but more **weaknesses than strengths**. The application fails to demonstrate the applicant's capability to perform.
Deficient	**0**	The application is non-responsive about the criterion or does not address the criterion at all.

Criteria 1: The application clearly explains the project goals and objectives.

Rating:

Deficient 0	Unsatisfactory 1	Marginal 2	Satisfactory 3	Good 4	Superior 5

Strengths:

Weaknesses:

Criteria 2: Application describes a clear and reasonable approach to accomplishing the project within the performance period.

Rating:

Deficient 0	Unsatisfactory 1	Marginal 2	Satisfactory 3	Good 4	Superior 5

Strengths:

Weaknesses:

Criteria 3: The proposed energy education and related to BPA mission and programs.

Rating:

Deficient 0	Unsatisfactory 1	Marginal 2	Satisfactory 3	Good 4	Superior 5

Strengths:

Weaknesses:

Criteria 4: The application clearly describes how the proposed project will educate participants about the Federal Columbia River Power and Transmission systems, and BPA.

Rating:

Deficient 0	Unsatisfactory 1	Marginal 2	Satisfactory 3	Good 4	Superior 5

Strengths:

Weaknesses:

Criteria 5: Provides clear statement of need including how the requested funding will be beneficial to program participants.

Rating:

Deficient 0	Unsatisfactory 1	Marginal 2	Satisfactory 3	Good 4	Superior 5

Strengths:

Weaknesses:

Criteria 6: The application clearly provides budget details on how funds will be effectively used to serve program participants and meet program objectives.

Rating:

Deficient 0	Unsatisfactory 1	Marginal 2	Satisfactory 3	Good 4	Superior 5

Strengths:

Weaknesses:

Final Rating:

Criteria 1	Criteria 2	Criteria 3	Criteria 4	Criteria 5	Criteria 6
