Lineman Apprentice

Journeyman Lineman

Working Foreman I

Foreman III

Get paid to become a lineman apprentice!

A lineman apprenticeship offers:

- Being part of a team in the nation's leading lineworker apprenticeship program.
- Work and training throughout the Pacific Northwest: Washington, Oregon, Idaho and Western Montana.
- Four-year training program studying assigned objectives to learn the craft.
- Career advancement opportunities with paid classroom time.
- \$40+/-hour starting salary as an apprentice, plus pay increase every step (every six months).
- Overtime pay.
- Paid holidays, paid leave and sick leave.
- Comprehensive health care coverage (medical, dental, vision, life, etc.).
- Agency matching retirement savings (Thrift Savings Plan).

Lineman apprentice job duties:

- Performing construction and maintenance work on wood-poles and steel-tower lines.
- Replacing or repairing damaged steel towers, wood-poles, cross-arms and conductors.
- Maintaining rights-of-way.
- Repairing access roads and installing or repairing bridges, culverts, fences and gates.
- Setting up equipment and tools for line crews.
- Patrolling transmission lines and reporting on the condition of lines.
- Driving heavy equipment and supplies to job sites.
- Operating off-road equipment in rights-of-way.
- Supporting line crew with general labor.
- Studying as assigned.
