SUBJECT:  Compressed Work Schedule for 24 x 7 Study Engineers

PURPOSE

This Personnel Letter –

• Establishes policy for a compressed work schedule 24 x 7 Study Engineers in the Technical Operations Group for the Transmission Business Line; and

• Authorizes use of the schedule on a continuing basis in accordance with the Bonneville Power Administration (BPA) – Professional Division of the Laborers’ International (PDL) Union Local 335 Memorandum of Understanding, dated April 5, 2013.

POLICY SUMMARY

This Personnel Letter applies only to full-time 24 x 7 Study Engineers in the Technical Operations Group in the Transmission Business Line.

A. This PL supplements provisions of the labor agreement between BPA and PDL Local 335, and shall be consistent with any revisions made to such labor agreement, and applicable laws and regulations.

B. In addition, this compressed work schedule is to be worked in accordance with the provisions of the corresponding Memorandum of Understanding signed by BPA and the PDL bargaining unit.
I. BASIC CONDITIONS

Employees rotate through 3 established work shifts that provide coverage 24 hours per day, 7 days per week. Shifts are 8 hours and 12 hours long; shift #1 is 0600 to 1800 hours, shift #2 is 1800 to 0600 hours, and shift #3 is during core business hours (i.e., 0800 to 1630 hours). No lunch break is included in shifts #1 and #2; shift #3 includes a 30-minute lunch break. Shift #1 and Shift #2 is on the dispatch floor while Shift #3 is providing technical support at a desk. The practice of employee initiated shift trading is acceptable provided that exchange is agreed to by both parties and the master schedule is updated (management approved) and does not result in overtime (OT).

The parties agree that shift rotation of trained employees shall be conducted in a fair and equitable manner.

II. PLAN CHARACTERISTICS

A. Administrative Workweek: For time and labor reporting, the designated administrative workweek shall extend from 0600 Sunday to 0600 the following Sunday.

B. Basic Work Requirement: Basic work requirement means the number of hours, excluding overtime hours, an employee is required to work or to account for by charging leave. An employee's basic work requirement is 80 hours in a pay period. This work may be scheduled in fewer than 5 days in an administrative workweek or fewer than 10 days in two administrative workweeks.

C. Designation of Workday for Regularly Scheduled Night-Shift Work: The night shift is scheduled to start on the day it is shown on the schedule. For example, a 12-hour shift that starts at 6:00 p.m. on Saturday is to be recorded as 12 hours worked on Saturday. (Note: in the example used, this does not affect the employee’s entitlement to Sunday premium pay for the entire 12-hour shift worked on Saturday because a part of that shift is worked on the calendar day of Sunday.)

D. Regularly Scheduled Administrative Workweek: For a given employee, the rotating tours of duty to which the employee is assigned.

E. Tour of Duty: The tour of duty for employees under this program is the rotating shift assignments of affected employees. Management may, as appropriate due to operating needs, temporarily adjust the arrival and departure time of an employee's scheduled duty shift. The affected employee shall be notified a minimum of 24 hours in advance while on duty and posted on the master schedule. Credit hours may neither be earned nor used.
F. **Overtime Work:** Overtime hours are all hours an employee is ordered to work on any day in excess of his/her compressed schedule. **Regularly scheduled tour of duty hours, including 12-hour shifts, worked by an employee are not overtime.** Overtime occurs in accordance with PL 550-01, Section V(A)(7).

G. **Compensatory Time Off:** Compensatory time off is time off in lieu of pay for irregular or occasional overtime work.

H. **Shift Change:** A time when one shift ends and the beginning of the next where system conditions are exchanged. Irregular overtime shall be paid when the departing worker is delayed 8 or more minutes past the end of their 12 hour shift.

I. **Night Pay:** Night pay is paid for work performed between the hours of 6 p.m. and 6 a.m.

J. **Holidays:** An employee who is relieved or prevented from working on a day designated as a holiday (or an “in lieu of” holiday) is entitled to pay for the number of hours he/she normally would have been scheduled to work that day.

For an employee whose work shift covers portions of 2 calendar days, the designated holiday (or the “in lieu of” holiday) is based on the employee's work shift that commences on such holiday. (See example below under “Holiday Premium Pay.”)

K. **Holidays Falling on Non-workdays:** When a holiday falls on a scheduled non-workday for an employee, the workday immediately before that scheduled non-workday is designated as the “in lieu of” holiday.

L. **Holiday Premium Pay:** An employee who performs non-overtime work on a holiday (or a day designated as the “in lieu of” holiday) is entitled to basic pay plus premium pay equal to his/her rate of basic pay for that holiday work. Holiday premium pay is limited to the number of hours normally scheduled to be worked on that day. Additional ordered or authorized work on that day is compensable as overtime.

For an employee whose work shift covers portions of 2 calendar days, the designated holiday (or the “in lieu of” holiday) is based on the employee's work shift that commences on such holiday. (For example, if an employee is scheduled to work, and does actually work, a shift from 1800 hours to 0600 on both July 4 and July 5, the entire work shift beginning on July 4 is considered the holiday and the employee would receive 12 hours of premium pay for the period of 1800 hours to 0600 hours that began on July 4.)
M. **Sunday Pay:** An employee who performs non-overtime work during a period of scheduled duty, a part of which is performed on Sunday, is entitled to Sunday pay for his/her entire period of duty on that day.

N. **Absence from Work:** Time off during an employee's basic work requirement must be charged to the appropriate leave category unless he/she is granted compensatory time off or an excused absence. Appropriate leave charged will be dependent on individuals' status shown on the master schedule shift assignment, for shift #1 or #2, 12 hour category while 8 hour leave for Shift #3.

O. **Training, Travel, Court Leave, Military Leave, Etc.:** Employees shall be assigned to 8-hour day shifts, as appropriate, when they are engaged in authorized activities that take them away from their regular work.
