

ATTENTION: college & graduate students & recent grads!

Explore a **CAREER**
in the *energy industry*

PAID POSITIONS

IN-DEMAND SKILLS

CAREER GROWTH OPPORTUNITIES

BPA'S PATHWAYS PROGRAM offers federal internship and employment opportunities for current undergraduate students, graduate students and recent college graduates.

Paid full-time and part-time opportunities

Highly skilled mentors

Job rotation opportunities

Professional development training

Comprehensive benefits package

At BPA, you will be defining the future of energy by finding the lowest cost, most reliable power solutions for Northwest communities.

Who is eligible to apply?

Internship Program: Current high school, undergraduate and graduate students from accredited education institutions or a qualifying career or technical education (including BPA's Apprenticeship Program). Applicants must be enrolled at least part time.

Recent Graduate Program: Individuals who have graduated within the last two years from qualifying educational institutions with an associate's, bachelor's, master's, professional, doctorate, vocational or technical degree or certificate. Veterans unable to apply due to service obligations have up to six years after degree completion to apply.
