

# Student Video Contest

## WELCOME TO THE BPA REGIONAL SCIENCE BOWL!

We are inviting teams to participate in an exciting activity this year—a student video contest. This is a fun opportunity for your teams to showcase their presentation skills, science acumen and creativity in a short promotional video.

Selected videos will be posted on the BPA web site and Facebook page, and winning videos will be broadcast on the big screen at the Science Bowl competition for everyone to see and enjoy.

In the video, your students should introduce their team and show us their science! Why do they like science? Why are they great at it? What are their strategies for success at Science Bowl? Teams can perform a song or a skit, make a mock ad or a talk show ... the sky is the limit!

**Videos will be judged on presentation, science acumen, teamwork and creativity.**

And it gets better.

**The winning team will receive individual trophies and \$200 worth of Science Supplies!**

## THE DETAILS:

- **Clips are due no later than 1 week prior to science bowl competition date.** Early entries are encouraged.
- Please shoot video horizontal not vertical.
- Videos should be no more than 90 seconds long.
- Video should be in digital format such as AVCHD, MPEG, H.264 MP4/MPEG-4 and QuickTime MOV.
- The contest is open to BPA Regional Science Bowl teams only.

Videos must be acceptable for all audiences and should not include illicit content, profanity or illegal activities. They should not bully or profane any person. Videos should comply with school rules regarding dress code and behavior. Final decision on the use of the videos rests with the Bonneville Power Administration:

By entering the contest, teams and participants agree that BPA can broadcast the videos and images for education and promotional purposes, on channels including but not limited to the BPA web page, BPA YouTube channel and/or BPA Facebook page, this year and in the future. Submitters further consent to the unrestricted reproduction and distribution of said content by the Bonneville Power Administration and hereby release the Bonneville Power Administration, and any of its officers, agents, and employees from all claims of every kind on account of such use.
