

## BPA Energy Efficiency Weekly Announcements

### March 27, 2025

#### New

##### **BPA Launches Online Lighting Calculator**

BPA's cloud-based Online Lighting Calculator (OLC) is now live! Organizations can access the OLC after attending a training session. Please visit the OLC landing page for details on key dates, requirements, and live online training sessions. Here, you will also find valuable resources, including the newly drafted User Manual and Frequently Asked Questions...[More](#)

---

##### **Comfort Ready Home: Greener Water Heater Promotion Ends**

BPA's Comfort Ready Home program has ended the Greener Water Heater promotion. Thanks to utility support and robust contractor participation across the Northwest, the Greener Water Heater promotion helped fund almost 400 installations across 74 communities in four states, creating a combined energy savings of over 700,000 KWh. If you have any questions, please contact your Energy Efficiency Representative.
