

BPA Energy Conservation Weekly Announcements

April 16, 2026

General

Northwest Regional Income Qualified Energy Conservation Workgroup

Please join BPA's Northwest Regional Income Qualified Energy Conservation Workgroup April 22, from 1-4 p.m. (PDT) to discuss priority topics impacting regional utilities, community action agencies, and other stakeholders. The agenda and related presentation materials will be posted on the [BPA Income Qualified Homepage...More](#)

New Energy Conservation Utility Quickstart Guide Now Available

BPA has released an updated version of the [Energy Conservation Utility Quickstart Guide](#) that is now available in the [Utility Toolkit](#). Sector specific guides are also in development and will be available soon.

BPA OLC Training: Uploading Cost Documentation Video

BPA has released a [new training video](#) that walks through the steps for uploading cost documentation into the BPA Online Lighting Calculator.

Market Research Quarterly Call Cancellation Notice

The Market Research Quarterly Call on May 6 is cancelled due to overlapping schedules with the 2026 Efficiency Exchange. Instead, the BPA Market Research and Momentum Savings team will publish a short update on the latest research efforts—stay tuned for an update in May. The Quarterly Calls will resume Aug. 5, 2026. More information is available on the Momentum Savings [Calls webpage](#). Energy conservation account executives (ECAEs) are available to assist with questions.
