

Momentum Savings & Market Research: May 2025 Quarterly Call

When: May 7, 2025

Time: 9 – 10 a.m. PDT

Meeting Information:

Join the BPA market research team's next quarterly call May 7 from 9-10 a.m. (PDT). In this meeting, we will share updated stock and sales insights on the residential HVAC market and analyze 2023 sales data collected by Northwest Energy Efficiency Alliance (NEEA) and new federal standards. The discussion will include how new sales are impacting the stock, focusing on changes in the single-family existing home stock.
