BPA Webinar: Low Income Energy Efficiency Program

Please join BPA Thursday, July 17 from 10:00 – 11:00 a.m. (PDT) to learn about the requirements, qualifying measures, and available resources to start a Low Income program. Hear from utilities who have successfully implemented Low Income programs for their residential customers...[More](#)

General

Fiscal Year 2025 Tentative End of Rate Period Deadlines

The tentative deadlines for end of rate period review and invoicing for fiscal year (FY) 2025 are included [here](#). These dates are preliminary estimates and are subject to change.

Comfort Ready Home: Training Videos Available

BPA's Comfort Ready Home Program has a wide range of on-demand and in-person training resources available, starting with ways to build technical knowledge, hands-on workshops for contractors, and educational videos to share on social media or publish to a website. Check out the [Comfort Ready Home Training Catalog](#) for these videos and more, or reach out to a local field specialist to schedule training.
