

# BPA Energy Efficiency Weekly Announcements

## July 17, 2025

### New

#### **Comfort Ready Home: Heat Pump Water Heaters Webinar**

Please join BPA's Comfort Ready Home program July 31 from 10 - 11 a.m. (PDT) to learn about residential heat pump water heaters. Field Specialist Scott Mayfield will explain why this technology is important to utilities and contractors. He will also discuss installation considerations, space heat interaction, how to introduce the technology to homeowners, and frequently asked questions for residential heat pump water heaters in BPA's service territory...[More](#)

---

#### **Comfort Ready Home: Customer Review Request Template**

BPA's Comfort Ready Home program can help connect utilities and their contractor network with new resources to better market their services with end-use customer reviews using the new [Customer Review Request Template](#). Contractors can leverage projects and the template to solicit positive customer reviews, which can lead to more business.
