BPA Webinar: Implementation Manual October 2024 Updates

Please join BPA Sept 19, from 10 – 11 a.m. PDT for a webinar presentation. We will present updates, effective Tuesday, Oct. 1, to the 2024-2025 Implementation Manual (IM). There will be an opportunity for attendees to ask questions of BPA staff...[more](#)

Comfort Ready Home: Connecting Your Customers With Qualified Contractors

BPA's Comfort Ready Home program has built a network of more than 430 contractors providing weatherization, HVAC, water heating, and energy auditing services. The contractor search results can be individually customized to meet your utility's needs and preferences. Learn more about how the Comfort Ready Home program can support your contractor network [here](#).

General

Comfort Ready Home: Heat Pump Water Heater Magnets

Utilities can easily connect their customers or members with important operation and maintenance information for their heat pump water heater (HPWH) with the leave behind magnet created by BPA's Comfort Ready Home program. The magnet provides **one click access to the HPWH user guide video located on the [Comfort Ready Home YouTube channel](#)**. Find out more [here](#).
