

## BPA webinar: M&V protocols training

**When: Sept. 29, 2022**

**Time: 10 – 11:30 a.m. (PDT)**

**Presentation and discussion:**

BPA is hosting a virtual Measurement and Verification, or M&V, protocol training for utility customers on Sept. 29, from 10-11:30 a.m. This webinar will provide an overview of BPA's M&V requirements and familiarize attendees with the protocols library. The webinar will also offer utility customers a look ahead to potential enhancements to the protocols library that are under consideration and engage participants for other suggested enhancements.
