

BPA Energy Efficiency Weekly Announcements

October 24, 2024

New

“Open Q” Pilot Program Explanation and Discussion Webinar

BPA is pleased to provide customers with a new path for reporting energy savings and receiving EEI-funded payment for programs previously ineligible based on requirements outlined in the Implementation Manual. Please join us Nov. 7, from 10 - 11 a.m., PST, where we will provide an overview of this pilot savings program, the rationale behind it, and the process developed to review and record any new ideas submitted through the Open Q channel...[More](#)

Momentum Savings & Market Research: November 2024 Quarterly Call

Join the BPA market research team for our quarterly call Nov. 6, from 9 - 10 a.m., PST. In this meeting, we will share insights from our interim market models for nonresidential lighting, commercial HVAC, adjustable speed drives, and residential HVAC. We will also provide team updates and FY 2025 research plans....[More](#)

Events

Energy Conservation Direct Fund Demonstration Q&A Webinar

Bonneville Power Administration (BPA) is pleased to announce financial support for the Energy Conservation Direct Fund Demonstration (DFD) program in Fiscal Year (FY) 2025. The objective is to acquire additional cost-effective energy conservation that is occurring within the region and dedicated to projects that will be completed and ready to invoice before the end of FY 2025. Please join us Oct. 24, from 10 - 11 a.m., PDT, where we will be holding a Q&A webinar session for FY 2025 applications...[More](#)

General
