

# BPA Energy Efficiency Weekly Announcements

## January 25, 2024

### New

#### **Energy Conservation Direct Funding Demonstration deadline approaching**

The [Energy Conservation Direct Funding Demonstration](#) solicitation period closes in five days on Jan. 30. Any reportable measure or project that meets Implementation Manual requirements are eligible, but projects previously reported to BPA are not. All work must be completed by Aug. 31, 2024 and be invoiced on or before Sept. 25, 2024. If you are interested in applying, please work with your EER to submit the application.

---

#### **Momentum Savings & Market Research: Feb. 2024 Quarterly Call**

Join the BPA market research team for our quarterly call Feb. 7 at 9 a.m. (PST). In this meeting, we will share insights from the 2022 HVAC sales data collected from regional suppliers. This is a longstanding collaboration between BPA and NEEA that informs the region on annual technology and efficiency changes in HVAC sales....[More](#)

---

#### **Reminder: Daily Demand Voltage Reduction Pilot**

The BPA Daily DVR team would like to thank all who attended last week's [Daily Demand Voltage Reduction Pilot](#) webinar. The presentation slides are available [here](#). As a reminder, please reach out to your EER if you would like to schedule an individualized meeting with the BPA team to see if Daily DVR is a good fit for your utility.
