

Variable Frequency Drives for Agricultural Pumps Calculator Overview and Demonstration

When: April 30, 2026

Time: 9:30–11:00 a.m. (PDT)

Meeting Information:

The Agricultural team is hosting a meeting on Thursday, April 30 from 9:30-11:00 a.m. for customer utilities that were unable to attend the recent Agricultural User Group (AUG) but want to see the Variable Frequency Drive (VFD) for agricultural pumps calculator overview and demonstration.
