Comfort Ready Home presents tips to help your customers prepare for winter weather

To help your customers prepare for winter, Comfort Ready Home has developed a flyer with information about staying safe and comfortable as temperatures drop. This includes tips to prepare your home for winter weather and lowering your energy bill and safety tips for preparing for an extended power outage.

[Download](#) the flyer to share with your customers.

If you would like to request a custom-branded version with your logo, contact your [Comfort Ready Home Field Specialist](#).

Events

BPA webinar: FY2023-24 EE Evaluation Strategy

Please join BPA and the Evergreen Economics team from 10-11 a.m. on Dec. 1 for a webinar sharing BPA's evaluation strategy for FY2023-24. Learn about proposed research and strategies for both impact and process evaluations...[More](#)

Emerging Tech webinar: CO2 Heat Pump Water Heater efficiency, decarbonization and load shift in multi-family buildings

The Lighting Design Lab will host a webinar Dec. 6, from 10:00 – 11:30 a.m. BPA has supported multifamily heat pump water heater research throughout the region for over 10 years. One of the many research projects funded using Emerging Tech monies involved installation of a CO2 HPWH system in Bayview Tower apartments in Seattle....[More](#)

Please join the rescheduled Momentum Savings & market research quarterly call on Dec. 7

Join us Wednesday, Dec. 7, from 9 - 10 a.m. to learn about the value of BPA's investments in energy efficiency. Be inspired and reinvigorated by our energy efficiency work and its value to the region. BPA's market research team's Bonnie Watson will share some of our customers' recent successes and accomplishments, as well as real-world stories of the many benefits of energy efficiency. Learn how EE can be a solution to the challenges our industry faces today and in the future. Additionally, expect a quick walkthrough of our new market

research website so you know where to find all of the great resources our team has to offer. To join the webinar or add the meeting to your calendar, visit www.bpa.gov/energy-and-services/efficiency/market-research-and-momentum-savings/calls.
