Note: times are approximate and may change based on how the discussion goes

Plan for today

Goal: give you a good grasp of the architecture, so you are effective going into the formal comment period

How: high-level overview of each chapter, summary of changes, the why, and time for questions as they come up

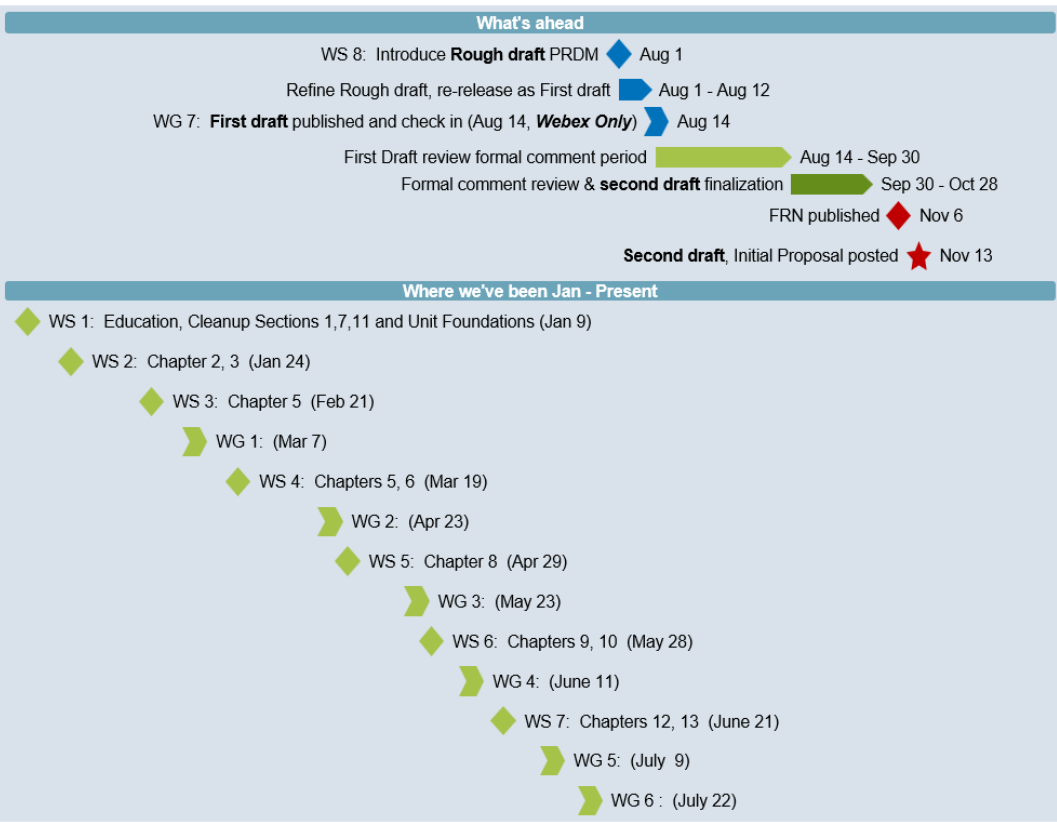

Expectations: it will take time to digest, so aim to understand where everything is, what PRDM is trying to do, and why

Feedback: Informal 8/1-8/14, then questions as available, and formal comment period 8/14-9/30

Timeline:
