Subject:	TC-27 Objection to Settlement & TC-27 substance, schedule, proposed process - NEWSUN ENERGY LLC
Date:	Friday, October 16, 2026 4:59:34 PM

NewSun Energy LLC (NSE) hereby submits its opposition to BPA's proposed TC-27 proceeding itself, the proposed process (and lack of process), the schedule, and the TC-27 proposed settlement.

NSE hereby incorporates the issues, objections, and comments of all affiliates' comments and objections, along with those of PNW Renewable Interconnection & Transmission Customers Alliance (PRITCA), submitted today as well as throughout the TC-27 proceeding, as well as the pre-proceeding workshops, and as relates TC-25 matter and process.
