FY 2021 Bonneville Power Administration Fiber Lease Rates

Unrestricted Use Fiber Rates:

Annual License Fee = Rate x Fiber x Miles x 12

\[
\text{Rate} = \text{License rate is } $43.29 \text{ per fiber per mile per month}
\]

\[
\text{Fiber} = \text{Number of Commercial Use Fibers}
\]

\[
\text{Miles} = \text{Number of light path miles of Commercial Use Fiber}
\]

Annual Maintenance Fee = Rate x Miles

\[
\text{Rate} = \text{Annual maintenance rate is } $501.46 \text{ per mile per year}
\]

\[
\text{Miles} = \text{Number of light path miles of Commercial Use Fiber}
\]

Public Benefits Fiber Rates:

Annual License Fee = Rate x Fiber x Miles x 12

\[
\text{Rate} = \text{License rate is } $26.40 \text{ per fiber per mile per month}
\]

\[
\text{Fiber} = \text{Number of Public Benefit Fibers}
\]

\[
\text{Miles} = \text{Number of light path miles of Public Benefit Fiber}
\]

Annual Maintenance Fee = Rate x Fiber x Miles x 12

\[
\text{Rate} = \text{Annual maintenance rate is } $3.17 \text{ per fiber per mile per month}
\]

\[
\text{Fiber} = \text{Number of Public Benefit Fibers}
\]

\[
\text{Miles} = \text{Number of light path miles of Public Benefit Fiber}
\]

Allston-Longview Loop:

Annual License Fee = Rate x Fiber x Miles x 12

\[
\text{Rate} = \text{License rate is } $64.40 \text{ per fiber per mile per month}
\]

\[
\text{Fiber} = \text{Number of Commercial Use Fibers}
\]

\[
\text{Miles} = \text{Number of light path miles of Commercial Use Fiber}
\]

Annual Maintenance Fee = Rate x Miles

\[
\text{Rate} = \text{Annual maintenance rate is } $716.82 \text{ per mile per year}
\]

\[
\text{Miles} = \text{Number of light path miles of Commercial Use Fiber}
\]

1 All fiber rates are subject to a bi-annual escalation based on inflation.

2 Unrestricted Use Fiber means the portion of optical fiber within the Cable which is not restricted.

3 Public Benefits Fiber is defined as optical fiber within the Cable designated for use by schools; hospitals; emergency services; museums; libraries; Federal, state and local governments and subdivisions thereof; public co-operative and municipal utilities; Tribal governments; and for Economic Development in Rural Areas or within Washington Enterprise Communities or the Oregon Enterprise Zones, as defined by the laws of those respective States.
