

# Introduction of EE Central

Presented by:

Rasa Keanini, EE Central Project Lead, BPA  
Pedro Salrach, EE Central Project Lead, Nexant

# EE Central: History

- Dec 2010 – BPA contracted with Nexant for the second phase of EE Central
- Jan – Feb 2011 – Nexant and BPA staff collaborated to finalize requirements
- Feb 2011 – Nexant begins design of system
- March 2011 – Prototype 1: Account Management
- April 2011 – Prototype 2: Deemed Measure Management and Invoices

# EE Central: Continued Development

- March – June 2011 – Nexant will continue to build and demo prototypes
- Summer 2011 – Continued development and implementation of EE Central and User Acceptance Testing
- October 1, 2011 – EE Central goes live with core functionality
- Oct – Dec 2011 – Implement advanced functionality

# EE Central – First Steps

The screenshot displays the EE Central website interface. At the top left, there is a logo featuring a mountain and water scene, followed by the text "EECentral". Below this, the main content area is divided into two sections. On the left is a "Login" section with a form for "Username" and "Password", a "Login" button, and links for "Forgot Password" and "Account Registration". On the right is an "EECentral Updates & News" section with buttons for "Give Feedback" and "Contact Support". This section contains three news items, each with a title, a paragraph of placeholder text, a "More" link, and a date of "October 15, 2010". The footer of the page contains the copyright notice: "Copyright © 2011 Nexant Inc. All Rights Reserved."

# Account & User Management

## Requesting New EE Central Account

- Account ≠ User
- Account request submittal will send notification to EE Central administrator.
- EE Central Administrator will review the request.
- If approved, the account contact receives an invitation to join the account as the Account Administrator.

# Account & User Management

## My Account

The screenshot displays the 'My Account' page in the EE Central system. The page has a dark blue header with the EE Central logo and navigation links for 'LIBRARY', 'CONTAINERS', 'PROJECTS', 'PROGRAMS', and 'INVOICES'. A secondary navigation bar includes 'Welcome John Rivers', 'My Account', 'My Profile', 'Help', and 'Logout'. The main content area is titled 'My Account' and features an 'Edit Account' button. Below this are two sections: 'Account' and 'Contact', each with a close button. The 'Account' section contains fields for Account Name (EWEB), Type (Utility), Status (Existing), URL (www.eweb.org), Address 1 (123 Main Street), Address 2, City (Eugene), State (Oregon), and Zip (919191). The 'Contact' section contains fields for First Name (John), Last Name (Rivers), Email (john.rivers@email.com), Address 1 (123 Main Street), Address 2, and City (Eugene).

# Measure Library

The screenshot shows the EE Central web application interface. At the top, there is a navigation bar with the EE Central logo and user information: "Welcome John Rivers", "My Account", "My Profile", "Help", and "Logout". Below this is a secondary navigation bar with tabs for "LIBRARY", "CONTAINERS", "PROJECTS", "PROGRAMS", and "INVOICES". The "LIBRARY" tab is active, and sub-tabs for "MEASURES", "LOAD SHAPES", and "M&V" are visible. Two buttons, "Add to Container..." and "Export All...", are located above the main table.

NAME	REFERENCE NUMBER	LEGACY REFERENCE NUMBER	EXPIRATION	TYPE

## Adding Measures to a Container

- User may select one or multiple deemed measures.
- When a measure is added to a container a measure “instance” is created.
- It’s also possible to export selected list.

The screenshot displays the Measure Library interface. At the top, there are two buttons: "Add to Container..." and "Export All...". Below these is a table with columns for "NAME", "REFERENCE NUMBER", and "LEGACY RE". The table contains several rows of measures, with "measure1" and "measure10" selected. A dialog box titled "Add measures to container" is open, showing a dropdown menu with "Kristens Container - test" selected and "Add" and "Cancel" buttons. The dialog also includes a "Manage Containers" link. The table below the dialog shows measures "measure106" and "measure107". At the bottom of the table, there is a pagination control showing "Page 1 of 4".

NAME	REFERENCE NUMBER	LEGACY RE
<input checked="" type="checkbox"/> <a href="#">measure1</a>	EUC0001151	EUC00011
<input checked="" type="checkbox"/> <a href="#">measure10</a>	EUC00011510	EUC000110
<input type="checkbox"/> <a href="#">measure106</a>	EUC000115106	EUC0001106
<input type="checkbox"/> <a href="#">measure107</a>	EUC000115107	EUC0001107

# Containers

- Containers can hold one or many:
  - Deemed measures
  - Custom Projects
  - Custom Programs
- A container has a default Funding Source (but a different one can be used for each measure)
- Operations:
  - Bulk-import of deemed measures.
  - Move measures from container to container (drag & drop can be used)
  - Bulk-edit of measures (funding source, etc.)
  - Removal of measures

The screenshot shows a web application interface with a navigation bar at the top containing 'LIBRARY', 'CONTAINERS', 'PROJECTS', 'PROGRAMS', and 'INVOICES'. Below the navigation bar are several action buttons: 'Create a Container', 'Move To', 'Import Measures', 'Bulk Edit for Funding Sources', and 'Remove Measures'.

The main content area is divided into two sections:

- Containers:** A list of containers including 'Quarantine', 'Visible Containers', 'Kristens Container - test', and 'Test-test'.
- Container Settings:** A form for configuring a container with the following fields:
  - Container Id: 23123
  - Container Name: Kristen Container - test
  - Program Name: N/A
  - Created By: John.Rivers
  - Updated on: 05/04/11
  - Default Funding Source: EEI (selected from a dropdown menu)
  - Updated on: (empty field)
  - Is Active:
  - Save button

On the right side, there is a table listing measures within a container:

NAME	CONTAINER	STATUS
<a href="#">Measure1</a>	Container 1	Status1
<a href="#">Measure10</a>	Container 1	Status10
<a href="#">Measure100</a>	Container 1	Status100
<a href="#">Measure11</a>	Container 1	Status11
<a href="#">Measure12</a>	Container 1	Status12
<a href="#">Measure13</a>	Container 1	Status13
<a href="#">Measure14</a>	Container 1	Status14
<a href="#">Measure15</a>	Container 1	Status15
<a href="#">Measure16</a>	Container 1	Status16
<a href="#">Measure17</a>	Container 1	Status17

At the bottom of the table, there is a pagination control showing 'Page 1 of 4' and navigation icons.

# Containers

## Measure Instances – User Inputs

- Some deemed measures require user inputs
- Required inputs are dependent upon the selected measure

# Invoices

## Creating an Invoice

- Create invoice:
  - For all completed Deemed Measures and Custom Projects
  - With search (date range, ...)
- Actions:
  - Remove Measures
  - Comments
  - Submit for Review
  - Cancel
  - Delete

The screenshot displays a web application interface for managing invoices. At the top, there are navigation tabs: LIBRARY, CONTAINERS, PROJECTS, PROGRAMS, and INVOICES. The current view is for a specific invoice, identified by the breadcrumb 'Invoices > EWEB\_05052011\_706'. Below this, there are three tabs: DETAIL (selected), MEASURES, and COMMENTS. The form contains several input fields: Invoice Status (NEW), Invoice Number (X123 706), Invoice Name (EWEB\_04052011\_706), Performance Payment (%) (15%), Utility Name (EWEB), Pooling Group (N/A), and Date Submitted to C O T R for Review (N/A). A 'History' link is visible below the Performance Payment field. A 'Summary' section at the bottom of the form lists: Reimbursement (\$14,500), Measure Savings (3,450 kWh), and Measure Cost (\$50,000). At the very bottom, there are four buttons: Cancel, Save, Submit For Review, and Delete.

# Invoices

## Selecting Measures to Include in Invoice

The screenshot displays a web application interface for managing invoices. The top navigation bar includes tabs for LIBRARY, CONTAINERS, PROJECTS, PROGRAMS, and INVOICES. The current view is for 'Invoices > UtilityNameInvoice1'. Below the navigation, there are buttons for 'DETAIL', 'MEASURES', and 'COMMENTS'. A toolbar contains 'Exclude selected measures' and 'Export All' buttons.

The main content area features a table with the following columns: NAME, CONTAINER, STATUS, COMPLETION, NO# OF UNIT, KWH/UNIT, and REIMBURSEMENT. The table lists 17 measures, with measures 10, 11, 12, and 13 selected. The summary table below the table shows:

Category	Value
Reimbursement	\$1,430
Measure Savings	3,450kwh
Measure Cost	\$1,430

At the bottom of the interface, there are buttons for 'Cancel', 'Save', 'Submit For Review', and 'Delete'. On the right side, there is a 'Search Options' panel with fields for Measure Name, Measure Review Status, Sector, Categories, Sub-Categories, First Name, Last Name, Street, City, and State.

# Invoices

## Comments on Invoices

- Actions:
  - Create a comment
  - Reply to a comment
  - Edit own comment
  - Delete own comment

The screenshot displays a web application interface for managing invoices. At the top, there is a navigation bar with tabs for LIBRARY, CONTAINERS, PROJECTS, PROGRAMS, and INVOICES. Below the navigation bar, the breadcrumb path is 'Invoices > UtilityNameInvoice1662'. There are three tabs: DETAIL, MEASURES, and COMMENTS. A blue button labeled 'Add New Comment' is visible. The main content area shows a comment thread:

- The first comment is from 'cotr' on 4/18/2011, stating: 'BPA is proposing to rebuild 54 miles'. The full text of the comment is: 'BPA is proposing to rebuild 54 miles of its Creston-Bell 115-kilovolt transmission line that runs through Lincoln and Spokane counties, Wash. The wood poles and other equipment on the line, which was originally built in 1942, have gradually deteriorated due to exposure to the elements.' A 'Reply' button is at the bottom right of this comment.
- The second comment is a reply from 'utility' on 2/22/2011, starting with 'Re : BPA is proposing to rebuild 54 miles'. The full text is: 'When you put in the major line you stated that the single pole line would be taken out. That has not been done! Is there a reason? When can we expect you to complete your last project. Response requested.' It has 'Edit', 'Delete', and 'Reply' buttons at the bottom right.
- The third comment is another reply from 'utility' on 2/26/2011, starting with 'Re : Re : BPA is proposing to rebuild 54 miles'.
