Webinar Details

Attendees are required to register and will be encouraged to submit a post-training survey. You will be able to receive a report on attendees and survey responses. Registration emails will be sent three weeks before the scheduled webinar. Reminder and follow-up emails will be sent until the day before the webinar. If you or your contractor miss their scheduled date, please register for a future webinar. A recording of the webinar will be available on the [Online Learning Center](#) following the live series.

How to Participate

Invite Your Contractors

- Submit an email list of participating contractors to Comfort Ready Home.
- OR–
- Comfort Ready Home can provide a formatted email for you to send to participating contractors.

Present Your Program

Comfort Ready Home welcomes you to present your program during the webinar. However, it might be challenging to have multiple presenters from different organizations during each call. Here are some options for you to consider:

- **Option 1:** Comfort Ready Home can provide 2-3 minutes during the webinar for you to provide an update on your program for those who are comfortable presenting and can access Zoom Webinar.
- **Option 2:** Provide a slide to be added into the presentation. Recommended content:
 - Key program information and contact information for contractors to use if they have questions about your program and Comfort Ready Home.
 - Program messaging for local contractors, i.e. “We want to promote air sealing or heat pump water heaters.”
 - Information about available incentives.

Please contact Charlotte Morrow or your Field Specialist to participate.
